

A wooden signpost stands in a field under a dramatic, cloudy sky at sunset. The signpost has two directional signs. The top sign, which is lighter in color and points to the right, has the word "TRUTH" written in large, white, sans-serif capital letters. The bottom sign, which is darker and points to the left, has the word "LIES" written in large, white, sans-serif capital letters. The background shows a horizon line with a mix of orange, yellow, and blue tones, suggesting a sunset or sunrise over a body of water or a vast field.

**Truth in Public Life** Vernon White,Stephen Lamport,Claire Foster-Gilbert,2021-03-15 In Truth in Public Life three public servants a theologian an economist and an ethicist contend for both the existence and moral imperatives of absolute truth Each argues that society built on ethical leadership and communal accountability cannot be sustained without a widespread commitment to objectivity This commitment begins at the top policymakers must resist political expediency judges must believe victims journalists must embrace complexity and the public must hold its leaders accountable to consistent ethical standards This short book offers a potent reminder that in a world of fake news state lies and echo chambers the truth matters more than ever For our public institutions to survive we must define and protect the truth against all comers

**The New True Crime** Diana Rickard,2023-09-05 How serialized crime shows became an American obsession TV shows and podcasts like Making a Murderer Serial and Atlanta Monster have taken the cultural zeitgeist by storm and contributed to the release of wrongly imprisoned people such as Adnan Syed The popularity of these long form true crime docuseries has sparked greater attention to issues of inequality power social class and structural racism More and more the American public is asking Who is and is not deserving of punishment and who is and is not protected by the law In The New True Crime Diana Rickard argues that these new true crime series deserve our attention for what they reveal about our societal understanding of crime and punishment and for the new light they shine on the inequalities of the criminal justice system Questioning the finality of verdicts framing facts as in the eye of the beholder these new series unmoor our faith in what is knowable even as Rickard critically notes they often blur the lines between fact and fiction With a focus on some of the most popular true crime podcasts and streaming series of the last decade Rickard provides an in depth analysis of the ways in which this new media which allows for binge listening or watching makes crime into a public spectacle and conveys ideological messages about

punishment to its audience Entertainment values have always been entwined with crime news reporting Newsworthy stories Rickard reminds us need to involve sex violence or a famous person and contain events that can be framed in terms of individualism and conservative ideologies about crime Even as these old tropes of innocent victims and deviant bad guys still dominate these docuseries Rickard also unpacks how the new true crime has been influenced by the innocence movement a diverse group of organizers and activists be they journalists lawyers formerly incarcerated people or family members who now have a place in mainstream consciousness as DNA evidence exonerates the wrongly convicted The New True Crime questions the knowability of truth and probes our anxieties about the real nature of true crime media For fans of true crime shows and anyone concerned about justice in America this book will prove to be essential reading *Rudy Wiebe* Bianca Lakoseljac,2023-11-01 The anthology *Rudy Wiebe Essays on His Works* compiled and edited by Bianca Lakoseljac examines Wiebe s works and his achievements as an author editor professor and mentor who helped shape successful authors and encouraged a passion for Canadian literature Intriguingly while Wiebe s writing has been labeled as brilliant and magnificent it has also been seen as challenging due in part to his propensity for a rather Faulknerian turn of phrase and his use of multifaceted storymaking approaches such as intertextual and intratextual dynamics and the sociopolitical views and religious beliefs they embody Rudy Wiebe s literary work raises him to the status of a Canadian literary icon whose fiction and nonfiction are seen as major contributions to Canadian literature and will continue to be enjoyed for generations to come
