Tucker,2019-05-14 Skylar Southmartin is not the naive girl she was a short year ago She s made some mistakes and learned a few secrets to life all the while clinging to the faith her mother instilled in her as a child in herself And now that she has discovered her life s purpose within the pages of the ancient Book of Sophia she knows what she must do restore a vital memory to the Akashic Library located deep within the Underworld of Earth This library is sought after by many who are aware of its existence for they know the future of human potential rests at its core Meanwhile Devlin Grayer has been elected as the 46th President of the United States and his wife Milicent is miserable in her new role as First Lady especially because the Great Mothers have asked Milicent to use her new status to help their cause and she has no interest in tackling that task With the help of friends in the unlikelyst of places Skylar s journey reveals the significance of the darkness within all of us and its potential to save or destroy the most precious part of us all our soul
