## Yeats Reader:

**The Yeats Reader** William Butler Yeats, 1997 A collection of over one hundred poems plays autobiographical and critical writings and prose fiction by Irish author William Butler Yeats drawn from throughout his entire career with textual notes and a chronology of Yeats's life

**The Yeats Reader, Revised Edition** William Butler Yeats, 2011-11-29 Throughout his long life William Butler Yeats Irish writer and premier lyric poet in English in this century produced important works in every literary genre works of astonishing range energy erudition beauty and skill His early poetry is memorable and moving His poems and plays of middle age address the human condition with language that has entered our vocabulary for cataclysmic personal and world events The writings of his final years offer wisdom courage humor and sheer technical virtuosity T S Eliot pronounced Yeats the greatest poet of our time certainly the greatest in this language and so far as I am able to judge in any language and one of the few whose history is the history of their own time who are a part of the consciousness of an age which cannot be understood without them The Yeats Reader is the most comprehensive single volume to display the full range of Yeats's talents It presents more than one hundred and fifty of his best known poems more than any other compendium plus eight plays a sampling of his prose tales and excerpts from his published autobiographical and critical writings In addition an appendix offers six early texts of poems that Yeats later revised Also included are selections from the memoirs left unpublished at his death and complete introductions written for a projected collection that never came to fruition These are supplemented by unobtrusive annotation and a chronology of the life Yeats was a protean writer and thinker and few writers so thoroughly reward a reader's efforts to essay the whole of their canon This volume is an excellent place to begin that enterprise to renew an old acquaintance with one of world literature's great voices or to continue a lifelong interest in the phenomenon of literary genius

**A Reader's Guide to William Butler Yeats** John Unterecker, 1983 [A Reader's Guide to Yeats's A Vision](#) Neil Mann, 2019-02-01 W B Yeats's A Vision is notoriously dense This book provides an authoritative clear and straightforward guide to the system of A Vision the framework within which he created many of his most important works

**A Reader's Guide to William Butler Yeats** John Unterecker, 1963 *The Reader*, 1906 **Putnam's Monthly and the Reader**, 1907 *Text* W. S. Hill, Edward M. Burns, 2002-05 The newest volume in the distinguished annual [The Reader Magazine](#), 1905 **Reader's Adviser and Bookman's Manual**, 1921 *The Copeland Reader* Charles Townsend Copeland, 1926 **Staging the Lyric** Sarah Berry, 2024-11-14 Verse drama is not a dead form but very much alive on the contemporary stage Drawing on plays from throughout the English speaking world including the United States United Kingdom Ireland and the Caribbean Staging the Lyric seeks to explain the 21st century resurgence of Anglophone verse drama tracing it back to an experimental impulse that is present in the modernist verse drama of a century ago Covering major writers including Derek Walcott Seamus Heaney Sylvia Plath Samuel Beckett Dorothy Sayers Djuna Barnes and Ntozake Shange it also encompasses lesser known and more recent poets and playwrights

This modern verse drama differs from its ancient and Elizabethan antecedents as it is understood not as a genre in its own right but as a hybrid of the lyric and the dramatic Both modernist and contemporary writers take advantage of this hybridity as fertile ground for experimentation While they differ in their ideology and form this book contends that they are united by exploring the relationship between lyric and dramatic elements on stage and what these two different modes afford To demonstrate this continuity it traces a genealogy from contemporary plays by Joanna Laurens Joyelle McSweeney and David Grieg back to W B Yeats Gertrude Stein T S Eliot and W H Auden to reveal that the tensions that animate verse drama have stayed the same even as the strategies for staging them have evolved The book is divided into three sections Voice Words and Time each treating one feature that has been used to define the lyric Within these sections the chapters compare contemporary plays with modernist ones that experiment with the same point of tension between the lyric and the dramatic
