Yes Sally Potter, John Berger, Pankaj Mishra, 2005-04-22 The subtleties and the nuances of our experience And I think that verse is a kind of structure that allows us to explore language in a more interesting more heightened way than we tend to in everyday conversation

An Eye for Music John Richardson, 2012-01-26 In An Eye for Music John Richardson navigates key areas of current thought from music theory to film theory to cultural theory to explore what it means that the experience of music is now cinematic spatial and visual as much as it is auditory

Screenwriting Bridget Conon, 2014-04-16 Screenwriting Creative Labor and Professional Practice analyzes the histories practices identities and subjects which form and shape the daily working lives of screenwriters Author Bridget Conon considers the ways in which contemporary screenwriters navigate and make sense of the labor markets in which they are immersed Chapters explore areas including Screenwriting histories and myths of the profession Screenwriting as creative labor Screenwriters working lives Screenwriting work and the how to genre Screenwriting work and inequalities Drawing on historical and critical perspectives of mainstream screenwriting in the USA and UK as well as valuable interviews with working screenwriters this book presents a highly original and multi faceted study of screenwriting as creative labor and professional practice The Open Access version of this book available at www.taylorandfrancis.com has been made available under a Creative Commons Attribution NonCommercial No Derivatives 4.0 license <https://www.taylorfrancis.com/books/9780203080771>

The Ashgate Research Companion to Minimalist and Postminimalist Music Keith Potter, Kyle Gann, 2016-03-23 In recent years the music of minimalist composers such as La Monte Young Terry Riley Steve Reich and Philip Glass has increasingly become the subject of important musicological reflection research and debate Scholars have also been turning their attention to the work of lesser known contemporaries such as Phill Niblock and Eliane Radigue or to second and third generation minimalists such as John Adams Louis Andriessen Michael Nyman and William Duckworth whose range of styles may undermine any sense of shared aesthetic approach but whose output is still to a large extent informed by the innovative work of their minimalist predecessors Attempts have also been made by a number of academics to contextualise the work of composers who have moved in parallel with these developments while remaining resolutely outside its immediate environment including such diverse figures as Karel Goeyvaerts Robert Ashley Arvo Pärt and Brian Eno Theory has reflected practice in many respects with the multimedia works of Reich and Glass encouraging interdisciplinary approaches associations and interconnections Minimalism's role in culture and society has also become the subject of recent interest and debate complementing existing scholarship which addressed the subject from the perspective of historiography analysis aesthetics and philosophy The Ashgate Research Companion to Minimalist and Postminimalist Music provides an authoritative overview of established research in this area while also offering new and innovative approaches to the subject
