Yesterdays Doctor An Autobiography:

Yesterday's Doctor Samuel S. Peikoff,1980 **My Song: Memoir of an ER Physician** Craig Dean, MD,2014-05-12

Thirty years in the making one hundred thousand patients later the hundred numinous patients I will forever treasure It has been said that memoirs are the narratives of our life and as such become the manner and method of how we make sense out of our life s journey Indeed I could not imagine my life without my career in the ER since without it I would truly feel like a naked wizened skeleton devoid of skin flesh or viscera The ER experience was the alchemist s stone that touched my ordinary life and in so many ways made it exquisitely gilded Many were the patients that stirred the invisible fabric of my soul and made the ordinary universe seem so much more expansive and unequalled The magnificence of the ER flows from the commanding variety of patients not unlike the arresting diversity of flora in the plant kingdom renders a regal awe upon the eyes and souls of the beholder An autobiography William Henry Seward,1891 *Not Exactly as Planned: A memoir of*

Adoption, Secrets and Abiding Love Linda Rosenbaum,2014-10-01 A deeply moving memoir of adoption and raising a child with unexpected challenges Not Exactly As Planned tells the story of Linda Rosenbaum s life which takes an unforeseen turn when her adopted son is diagnosed with irreversible brain damage due to fetal alcohol syndrome This diagnosis sets her on a journey filled with love hope and the relentless pursuit of medical knowledge as she strives to improve her son s prognosis and embrace a new reality More than just a story of motherly love this memoir explores themes of family secrets the collision of 1960s ideals with real world struggles and the importance of community It s a story for adoptive parents families navigating special needs and anyone seeking inspiration in the face of adversity Discover a story of resilience acceptance and the enduring power of love **Memoir and Letters of Charles Sumner: 1860-1874** Edward Lillie Pierce,1894

William H. Seward, an Autobiography from 1801 to 1834 William Henry Seward,Frederick William Seward,1891 *A Doctor's Memoir of the Romanian Holocaust* Arthur Kessler,2024 Based on detailed notes taken during a doctor s incarceration in the concentration camps and ghettos of Romanian ruled Transnistria during the Holocaust this memoir tells a gripping story of calculated murder resistance and survival In the aftermath of the Romanian Holocaust Transnistria a little known region north of Odessa between the Dniester and Bug rivers came to be known as the forgotten cemetery Between 1941 and 1944 an estimated 300 000 Jews were killed or died there from starvation and disease This memoir by Dr Arthur Kessler based on daily notes he kept as a physician during his two year imprisonment in Transnistria s Vapniarka concentration camp and Olgopol ghetto provides a unique perspective of a Jewish medical doctor who witnessed murderous death as well as brave acts of resistance and survival Introduced and annotated by historian Leo Spitzer and translated from German by the late Margaret Robinson Dr Kessler s memoir provides an engrossing account of his infamous discovery that Vapniarka s Romanian authorities routinely and it seems knowingly fed camp inmates a daily soup containing toxic chickling peas *Lathyrus sativus* that induced paralysis kidney failure and oftentimes death It reveals the daring by which he together

with fellow inmate medical associates saved hundreds of lives by organizing a hunger strike that resulted in the camp's dissolution and the prisoners' relocation to ghettos throughout Transnistria. Kessler's narrative continues with an account of privileges attainable by deportees with useful skills and provides illuminating details about informal systems and practices that enabled many to survive and to provide care to fellow victims of genocidal persecution. The memoir is illustrated with moving drawings produced by prisoners in the Vapniarka concentration camp and presented to Dr. Kessler in recognition of his brave work of healing.
