Inside My Mind Ron Hester,2012-03-22 Too many of us take too much for granted For example if we saw an old lady crossing the street many of us would look at her and say Well thats just an old lady or wouldnt think anything of her at all We dont stop to realize that the little old lady is someones mother that she belongs to someones family and that she means a lot to somebody We take too much for granted We let the little things that mean so much go by every day and once they are gone time never gives them back Concentrate on these things because they can bring so much to your life Take the time to thank your heavenly Father make family time husband time wife time children time listening time talking time caring time sharing time crying time peaceful time special time and last but not least giving time
