Yorath Wolf:

Yorath the Wolf Cherry Wilder,2016-02-16 Yorath the son of a royal prince was born with a deformity that marks him for death The court physician saves him by convincing his family that he died shortly after birth and takes him to a distant forest where he thrives unaware of his birthright and the dark prophecy that looms over him But as he grows to manhood Yorath can t avoid being drawn into the violent conflict that plagues the land Becoming a soldier he rises through the ranks until he becomes a reluctant combatant in the struggle for the throne Even as Yorath wields the power of a kingmaker the ways of the court are as much anathema to him as the brutality of war If he is ever to escape the violence and machinations he so despises he has but one choice He must confront his heritage or lose the land he has come to love and the peace he so cherishes
