The Indian Partition in Literature and Films Rini Bhattacharya Mehta, Debali Mookerjee-Leonard, 2014-12-17 This book presents an examination of fictional representations in books and films of the 1947 Partition that led to the creation of the sovereign nation states of India and Pakistan While the process of representing the Partition experience through words and images began in the late 1940s it is only in the last few decades that literary critics and film scholars have begun to analyse the work The emerging critical scholarship on the Partition and its aftermath has deepened our understanding of the relationship between historical trauma collective memory and cultural processes and this book provides critical readings of literary and cinematic texts on the impact of the Partition both in the Punjab and in Bengal The collection assembles studies on Anglophone writings with those on the largely unexplored vernacular works and those which have rarely found a place in discussions on the Partition It looks at representations of women s experiences of gendered violence in the Partition riots and how literary texts have filled in the lack of the human dimension in Partition histories The book goes on to highlight how the memory of the Partition is preserved and how the creative arts relation to public memory and its place within the public sphere has changed through time Collectively the essays present a nuanced understanding of how the experience of violence displacement and trauma shaped postcolonial societies and subjectivities in the Indian subcontinent Mapping the diverse topographies of Partition related uncertainties and covering both well known and lesser known texts on the Partition this book will be a useful contribution to studies of South Asian History Asian Literature and Asian Film *The Independent*

, 1901 **For Younger Readers; Braille and Talking Books**, 2010 **The Independent** Leonard Bacon, Joseph Parrish Thompson, Richard Salter Storrs, Joshua Leavitt, Henry Ward Beecher, Theodore Tilton, Henry Chandler Bowen, William Hayes Ward, Hamilton Holt, Fabian Franklin, Harold de Wolf Fuller, Christian Archibald Herter, 1901 **Raising Freedom's Child** Mary Niall Mitchell, 2008-04 Mitchell s sophisticated nuanced reading of a wealth of previously untapped documents and period photographs casts a dazzling fresh light on the way that abolitionists educators missionaries planters politicians and free children of color envisioned the status of African Americans after emancipation Steven Mintz University of Houston *Raising Freedom s Child* demonstrates the importance of childhood studies for understanding the nation s political economic

and social history In this carefully researched book Mitchell keeps the black child at the center of the struggle to define freedom in the aftermath of Civil War and emancipation Marie Jenkins Schwartz University of Rhode Island The end of slavery in the United States inspired conflicting visions of the future for all Americans in the nineteenth century black and white slave and free The black child became a figure upon which people projected their hopes and fears about slavery s abolition As a member of the first generation of African Americans to grow up in freedom the black child freedom s child connoted a future where African Americans might enjoy the same privileges as whites landownership equality autonomy Yet this image was a nightmare for most white southerners Even many northerners expressed doubts about the consequences of abolition for the nation and its identity as a white republic From the 1850s and the Civil War to emancipation and the official end of Reconstruction in 1877 *Raising Freedom s Child* examines slave emancipation and opposition to it as a far reaching national event with profound social political and cultural consequences Mary Niall Mitchell analyzes a dizzying array of representations of the black child letters photographs newspaper columns court cases and more to illustrate how Americans contested and defended slavery tracing sharp debates over black children s education labor racial classification and citizenship Only with the triumph of segregation in public schools in 1877 did the black child lose its public role in the national struggle over civil rights a role it would not play again until the 1950s

Ugly Freedoms Elisabeth R. Anker,2021-10-25 In *Ugly Freedoms* Elisabeth R. Anker reckons with the complex legacy of freedom offered by liberal American democracy outlining how the emphasis of individual liberty has always been entangled with white supremacy settler colonialism climate destruction economic exploitation and patriarchy These ugly freedoms legitimate the right to exploit and subjugate others At the same time Anker locates an unexpected second type of ugly freedom in practices and situations often dismissed as demeaning offensive gross and ineffectual but that provide sources of emancipatory potential She analyzes both types of ugly freedom at work in a number of texts and locations from political theory art and film to food toxic dumps and multispecies interactions Whether examining how Kara Walker s sugar sculpture *A Subtlety Or the Marvelous Sugar Baby* reveals the importance of sugar plantations to liberal thought or how the impoverished neighborhoods in *The Wire* blunt neoliberalism s violence Anker shifts our perspective of freedom by contesting its idealized expressions and expanding the visions for what freedom can look like who can exercise it and how to build a world free from domination
