

## ACT Writing | Enhanced Test 2025

Prompt #1 | 40 minutes

**Prompt #1: Food Security**

Food security is defined as access by all people at all times to enough food for an active, healthy life. About one in seven households in the United States experiences food insecurity. Environmental conditions and political instability can impact the availability of food while economics, infrastructure, and social barriers can impact people's access to inexpensive and nutritious food. Where, then, should we focus our resources to enhance food security?

Read and carefully consider these perspectives. Each suggests a particular way of thinking about the question above.

**Perspective One**

As a result of climate change, we are seeing more severe and frequent droughts and storms that disrupt our fragile agricultural systems. We must vigorously address climate change and implement sustainable agricultural practices.

**Perspective Two**

Systematic discrimination and unfair housing and zoning practices have led to reduced access to low-cost, healthy food for many Americans. We need to focus our efforts on the economically and socially disadvantaged who are the hardest hit.

**Perspective Three**

In our interconnected world, most foods we find at the grocery store get there through a complex international supply chain. International agreement on agriculture and trade will improve food security for all.

**Essay Task**

Write a unified, coherent essay in which you address the question of where to focus resources to enhance food security. In your essay, be sure to:

- Clearly state your own perspective on a complex issue and analyze the relationship between your perspective and at least one other perspective.
- Develop and support your ideas with reasoning and examples.
- Organize your ideas clearly and logically.
- Communicate your ideas effectively in standard written English.

Your perspective may be in full agreement with any of those given, in partial agreement, or completely different.

Writing is introduced as a dialogue, and each chapter explores a different aspect of that dialogue: invention, revision, dialogue with the self, persuasion, dialogue with the reader, writing from texts, dialogue with the text or subject. Visual examples, including four pages of fine art reproductions, may be used to stimulate discussion and reading.
