The Alter Call Shea Rose,2002-02-01 What does a married black police officer and an unhappily married white rabbi have in common An attractive divorced black thirty something female whos recently embarked on a torrid love affair These two men are as different as night and day but they share the same sentiments about what Danielle Winters has gotten herself into theyre the crutches who get her through the valley of the shadow of death But it becomes increasingly clear that yes she should fear some evil The evil shes unwittingly drafted into her life In the throes of the good times with her hot new beau Danielle begins to experience unusual tearjerker moments and out of the ordinary occurrences that begin to take toll Realizing she needs a plan or two to help her through her two comrades say and do all they can in hopes that shell wake up and smell the coffee Stephanie her trusted cousin and confidant cant even offer any valuable advice Danielle even ignores her own intuition Its only after her unshakable alter call that she finally gets it She needed a life altering change and renewing of her thought process something she would only achieve from having heeded the Almighty's call to change her life

The Garden Path MASS,2011-07-26 This book is an illustration of social change in a time when the world is as ruthless as it can be The words guide the philosophy of mankind to the light in the changes of time I relentlessly seek to envelop peace a tool for continually The prayer for the ruthless if they took it they would have envisaged their own change and not their demise The book gives to you a strong definition of hope as it is in everyman to hope for the best hence only the best is good enough This book is not doubtful of the goodness in man but we will all have the say in finding the goodness in man through the great conversations

The Hope of Salvation Harding Hedgpeth,2008-04 Today many churches teach that once a person believes and trusts in Jesus Christ their Salvation is assured They can know with certainty that they will go to heaven no matter what The churches further teach that the individual has no part to play in their salvation God does it all These teachings are not Biblical The Bible teaches that no person can know their ultimate destiny The best one can do is to live a life of demonstrated faith and hope they will make it to heaven Indeed a person does have a part to play in their destiny and by their choices they can stay on the pathway that leads to salvation or they can depart from it This book clarifies the Biblical path to Salvation articulates a Biblical argument that refutes the assurance of salvation doctrine and reveals the spiritual dangers that are produced by this teaching Harding Hedgpeth is a professional test pilot and the holder of 9 aviation world records set in the B 1 Bomber He has no formal theological training He does not belong to any formal church As he characterizes himself he is a disciple of Jesus Christ cleverly disguised as a test pilot Harding was raised as a Presbyterian married a Catholic and didn t realize that the Bible was God s truth until 1987 when he was 40 years old He has immersed himself in the study of God s Word ever since The study of God s Word led him to realize that today s churches are leading their parishioners astray in some important areas One of those areas is the doctrine of the assurance of salvation Accordingly Harding felt a strong compulsion to write this book Though a relatively short book it has taken four years to research and one

year to write Altar Ministry Handbook R. L. Bowen,2008-04 This manual helps Christian know how to effectively lead others that they minister to into a deeper and more meaningful relationship with Jesus Christian **Wireless World** ,1923
