

Unity and Diversity in New Testament Theology

HAROLD B. KUHN

It has been questioned, whether it is proper to speak of a New Testament *theology* at all: whether, that is, there be any theology characteristic of the New Testament as a whole; and whether it might not be more true to the facts to attempt to reconstruct *theologies* represented by the several writers of the documents. Such a view springs from what is considered by many to be an exaggeration of the element of variety, at the expense of the element of unity which the New Testament as a whole presents.

In general, conservative and traditional theology has inclined to overwork the idea of unity; while liberal theology has tended to make rather more of the diversity existing within the thought of the writers of the respective books. Orthodox thought was willing to recognize stylistic and linguistic differences; but it assumed, frequently with naïvete, that each writer was exercising his genius, under inspiration, to say the same thing, but in a somewhat different manner. On the other hand, liberal criticism has sought to magnify the points of difference; and in the process of analysis, the fact that there is a basic homogeneity in the New Testament has frequently been forgotten. The tendency, marked especially among German scholars, to found a new "school" of criticism has issued in an atomization of the New Testament, the results of which would lead the undiscriminating reader to conclude that the Christian Scriptures are but an accidental agglomeration of writings collected upon

the basis of some kind of sacrosanctity. It is unnecessary to evaluate the motives by which such scholarship is impelled. But certain criticisms may be allowed at this point.

It has frequently been assumed that the writers of the documents of the New Testament uniformly wrote with a tendency to produce tracts for the purpose of Christian "propaganda"—this term is used without intent of implying a value judgment upon the motive. Nevertheless, it is characteristic of much of liberal criticism, that the writers are assumed to have subordinated all other considerations to the matter of producing a convincing tract, and that they wrote with an "explicit aim at propaganda."¹ Presumably matters of historical accuracy were compelled to yield before the *façade*.

Again, it may be thought by some to be more than coincidence, that the results of much of criticism have proved negative (from the point of view of traditional orthodoxy), and that scholars of the more negative type have but grudgingly acknowledged the work of contemporaries, who seemed to "give back" to a given author the authorship of works traditionally ascribed to him, but by the "new school" denied him. This procedure is not such as to elicit unanimous and unbounded confidence in the objectivity of the critics. When it is necessary to rely upon inference, why not occasionally draw *positive* inference, in-

Unity In Theology

Piet Naud,

Unity In Theology:

Unity of the Churches Heinrich Fries, Karl Rahner, 2008-08-01 Endorsements For Fries and Rahner unity is no longer an option but a matter of the very credibility and survival of the Christian faith They are pessimistic that all good will notwithstanding those in leadership positions will bring about a unity of the churches in the near future Yet they see objective possibilities for the attainment of a far reaching unity To this end they propose eight theses and elaborate on them Hans Schwarz author of *Method and Context as Problems for Contemporary Theology* *Doing Theology in an Alien World*

Theologia Edward Farley, 1983 *Christian Unity — the Next Step* Fr. Kevin E. Mackin OFM, 2020-03-31 Catholics Orthodox and Protestants have in many ways moved from diatribe to dialogue Conversations among theologians have achieved significant progress on many issues in the half century since the Catholic Church entered the ecumenical movement in earnest In *CHRISTIAN UNITY THE NEXT STEP THAT THEY MAY ALL BE ONE* Kevin E Mackin OFM a popular priest and former college president and professor delves into and shares his studies on recent Church history and theology and posits that the time is ripe for more real world Christian collaboration and service for further internal reform and for a third ecumenical Council

Tear Down These Walls John H. Armstrong, 2021-08-01 I am praying not only for these disciples but also for all who will ever believe in me through their message I pray that they will all be one just as you and I are one as you are in me Father and I am in you And may they be in us so that the world will believe you sent me John 17 20 21 NLT For most Christians these words of Jesus seem like an unreachable ideal Or they promise spiritual unity without a visible demonstration between real people Some even read these words with a sense of fear seeing this text used for a compromise agenda How should we understand this prayer offered for all who follow Jesus What if Jesus really intended for the world to believe the gospel on the basis of looking at Christians who live deep unity in a shared relationship with him What if there is way of understanding what Jesus desired so that we can begin anew to tear down the many walls of division that keep the world from seeing God s love in us Is our oneness much bigger and deeper than we could imagine John Armstrong has devoted three decades to the work of Christian unity His story and ministry have encouraged many around the world and now they are reflected in this memoir of a life devoted to unity

Pathways in Theology Piet Naud,, 2015-05-01 This volume exhibits the engaging and challenging work of public and ecumenical theologian Piet Naud The collection of 26 essays written over three decades constitutes an important contribution to public theology by critically and creatively evaluating diverse pathways through the landscape of Ecumenical African and Reformed theologies *The American Journal of Theology* University of Chicago. Divinity School, 1920 Vols 2 6 include Theological and Semitic literature for 1898 1901 a bibliographical supplement to the American journal of theology and the American journal of Semitic languages and literatures By W Muss Arnolt Separately paged *Central Themes in Biblical Theology* Scott J. Hafemann, Paul House, 2007-05 Maps seven key themes of a whole Bible theology tracing the Bible s unified teaching across the biblical

canon **Christian Unity and Christian Diversity** John Macquarrie,1975 **God's Being in Reconciliation** Adam J. Johnson,2012 One of the most pressing issues in the doctrine of the atonement today is the question of the unity and diversity of the work of Christ What are we to make of the diversity within the biblical witness and the history of doctrine when it comes to explanations of the meaning and significance of Jesus death and resurrection Without a grasp of the unity of his work our understanding and use of the diversity runs the risk of becoming haphazard and disordered Proposals regarding the unity of Christ s work today tend to focus on the metaphorical nature of language the role of culture and various possible conceptual schemes rarely reflecting on unity and diversity proper to the being God To fill this gap Johnson draws on Karl Barth s integrated account of the doctrines of God and reconciliation harnessing the resources contained within the doctrines of the Trinity and divine perfections to energize a properly theological account of the unity and diversity of the atonement

Your Church Is Too Small John H. Armstrong,2010-03-23 I pray also for those who will believe in me through their message that all of them may be one Father just as you are in me and I am in you Too often these words of Jesus from John 17 20 21 seem like an unreachable ideal But in *Your Church Is Too Small* John Armstrong shows that Jesus vision of Christian unity is for all God s people across social cultural racial and denominational lines With attention to his own pilgrimage and growth in ecclesial awareness John Armstrong explores here the evangelical heart and ecumenical breadth of churchly Christianity I am encouraged by his explorations and commend this study to all believers who pray and labor for the unity for which our Savior prayed Timothy George senior editor Christianity Today Dr Armstrong s irenic approach should make it easy for Christians whether Catholic Orthodox or Protestant to engage the challenging thesis of the book while recognizing that there remain points of doctrine between them which will require further clarification Anyone concerned about either evangelism or Christian unity should read this book and take seriously its call for both mission and ecumenism Fr Thomas A Baima Provost University of Saint Mary of the LakeJohn Armstrong is one of those Evangelical theologians may their tribe increase and the valley abound with their tents who know that full obedience to Christ embraces the historical transmission through which we know him This book refuses to scale down the bearer of that tradition the historical church that is or reduce the authority of its voice Fr Patrick Henry Reardon senior editor Touchstone It s a must for anyone who has grown weary with Christian divisiveness and schism and longs to discover ways of strengthening the bonds that unite us in the Spirit of Christ Chuck Colson

Unity in the Triune God Timo Tavast,2012-12-21 The contemporary trinitarian paradigm in systematic theology has been internationally well known since the time of Karl Barth and Karl Rahner and particularly since the contribution of their famous successors Many of them Wolfhart Pannenberg and Robert W Jenson among others have intentionally shown in their writings what the general ecumenical relevance of the findings of trinitarianism might be However the academic research of ecumenism has not yet fully investigated how ecumenically oriented trinitarian theology has been factually applied in varying ecumenical relationships and agreements *Unity in the Triune God* focuses on the

ecumenism of the Evangelical Lutheran Church in America with its full communion partners the Presbyterian Church USA the Reformed Church in America and the United Church of Christ 1997 the Episcopal Church 1999 the Moravian Church in America 1999 and the United Methodist Church 2009 Together all these ecumenically active denominations have shown in their full communion agreements that the doctrine of the Trinity and the church's common trinitarian confession are not meaningless relics from ancient times but rather are dynamic and many-sided ecumenical resources that can be used for several functions in full communion agreements The goal of this study is to reveal the differing ways in which to utilize this ecumenical potential of the trinitarian faith

The Oxford Handbook of African American Theology Katie G. Cannon, Anthony B. Pinn, 2014-07-01 Named an Honor Book for Nonfiction by the Black Caucus of the American Library Association African American theology has a long and important history With modern roots in the civil rights movements of the 1960s African American theology has gone beyond issues of justice and social transformation to participate in broader dialogues of theological inquiry The Oxford Handbook of African American Theology brings together leading scholars in the field to offer a critical and comprehensive analysis of this theological tradition in its many forms and contexts Using an interdisciplinary approach this Oxford Handbook examines the nature structures and functions of African American Theology The volume surveys the field by highlighting its sources doctrines internal debates current challenges and future prospects in order to present key topics related to the wider palette of Black Religion in a sustained scholarly format This formative collection presents current scholarship on African American Theology and scripture eschatology Christology womanist theology sexuality ontology the global economy and much more The contributors represent a diverse set of faith perspectives adding to the layered discourses within the volume These essays further important discussions on the pressing debates and challenges that shape black and womanist theologies

The Oxford Handbook of Theology, Sexuality, and Gender Adrian Thatcher, 2014-11-13 The Oxford Handbook of Theology Sexuality and Gender presents an unrivalled overview of the theological study of sexuality and gender Not merely contentious and pervasive topics sexuality and gender have escalated in importance within theology Theologians increasingly agree that even the very doctrine of God cannot be contemplated without a prior grappling with each Featuring 41 newly commissioned essays written by the foremost scholars in the discipline this authoritative collection presents and develops the latest thinking in the area Divided into eight thematic sections the Handbook explores key methodological approaches concepts and issues as well as current controversies within various denominations Selected essays draw on reason as a distinct source of theology discussing evolutionary biology and behavioural genetics psychology anthropological research philosophical research and queer theory It examines the history of in theologies of sexuality and gender with close analysis of the Bible and the Christian tradition The final section considers theology in relation to different expressions of sexual identities This volume is an essential reference for students and scholars which will also stimulate further research

The Unity of the Church Eddy A. J. G. van der Borght, 2009 In contrast

to its original name Ecclesia Reformata ecclesiology did not develop into a major theme within the Reformed tradition Notwithstanding the undeniable schismatic tendency and the ecclesial embarrassment about disunity the unity of the church did not rise to prominence as a theological topic This volume challenges this traditional low key attitude towards the unity of the church It investigates theological aspects that contributed to a weak sensus unitatis and explores approaches that remedy the disease of division It discusses the role played by scripture the sacraments confessions and discipline it searches for the best theological practices within other Christian traditions it links the unity of the church to the unity of God and reformulates the nature of the church

The Concept of Sacred Theology Joseph Clifford Fenton,1941 *American Journal of Theology* ,1911 Vols 2 6 include Theological and Semitic literature for 1898 1901 a bibliographical supplement to the American journal of theology and the American journal of Semitic languages and literatures By W Muss Arnolt Separately paged

Unity In Theology Introduction

In today's digital age, the availability of Unity In Theology books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Unity In Theology books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Unity In Theology books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Unity In Theology versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Unity In Theology books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Unity In Theology books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Unity In Theology books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural

artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Unity In Theology books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Unity In Theology books and manuals for download and embark on your journey of knowledge?

FAQs About Unity In Theology Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Unity In Theology is one of the best book in our library for free trial. We provide copy of Unity In Theology in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Unity In Theology. Where to download Unity In Theology online for free? Are you looking for Unity In Theology PDF? This is definitely going to save you time and cash in something you should think about.
