## **Unlikely Alliance:**

**Unlikely Alliance** Gesiere Brisibe-Dorgu,2019-01-29 Unlikely Alliance is about the unending story of humanity's complex relationships. It is becoming increasingly clear that even science may never unravel the intricate workings of the minds of humans. The unexpected alliances reveal a boatful of intriguing and shocking relationships that baffle and confound even the most liberal of persons. The book is a call for everyone to be respectful of the humanity in the other person. [An Unlikely Alliance](#) Rachel John,2017-11-06 Two strangers. One impossible situation. When Corrie Windsor's roommate dies in a car accident, she leaves behind her four-year-old daughter, Ella. Corrie loves the little girl and hopes to adopt her, but instead, she has to stand by while Ella's uncle takes custody. But Corrie's not about to walk away. She's been taking care of Ella for most of her life, and that won't stop now. If it means following Preston to Arizona, Corrie will do it. If it means being the nanny and watching his girlfriend bond with Ella, she'll do that, too, despite her growing attraction to him. Preston Ford was not prepared for fatherhood, but once he meets Ella, there's no other choice. Corrie's help is heaven-sent, but she's also a distraction that's messing up all his carefully laid plans. With more than one heart hanging in the balance, how long can their platonic teamwork really last? Romance has never been this complicated. Previously published as *The Start of Us*. In order to survive, Jennifer and Geoff must discover on which side of evil they will have to be to bring them success. Separately, they combat the evil that threatens to tear them and their way of life apart. If not for the most unlikely of alliances, they would not be able to fulfill their destiny.
