Secrets That We Keep Linda Kage, 2021-01-28 Gracen Lowe has a new life theory What you don't know can't hurt you Which is exactly why he decides not to tell his twin sister Bella that he's accidentally falling for the woman she hates most the very woman who allegedly cheated with Bella's last boyfriend and broke them apart Bella might be his best friend and ultimate confidante but she'd legit cut off his favorite body part if she knew which woman he'd been craving So even if his theory's totally whack staying quiet will definitely keep him safer Except he feels so guilty about it all Meanwhile Bella's heating up the sheets with one of Gracen's best friends and she can't seem to reveal that little detail to her brother either due to you know reasons When the truth is exposed all bets are off Shattered secrets will either set everyone free or wreck their relationships forever The Secrets That We Keep Thomas A. Whiting Jr, 2014-08-04 The Montgomery family was the cornerstone of what a family should be to everyone looking in But as they always say looks can be deceiving Even in a family there is a breaking point a line you don't cross The Montgomery family has crossed that line and now there is no turning back Richard Montgomery Jr who was the ideal son to everyone did what he was supposed to do for his family even at the sake of his own happiness What price is he willing to pay for his own happiness and his own piece of mind Thelma Montgomery who was the centerpiece of the family kept them together and she did no matter the cost There were no ifs ands or buts as far as she saw it Angelia Montgomery finds out that there is a big difference between getting what you want and wanting what you

have And Angelia s greed for more will soon be her downfall because there is always a price to pay either way At what cost is she willing to take that chance Each of them has a secret they wish never to reveal but secrets are almost never always kept hidden they will at some point show themselves
