## **Wheres God When Im Scared:**

*Where's God when I'm s-scared? ,1993* This video contains two hilarious fully computer animated stories that teach kids a Biblical perspective on handling everyday fears At the foot of the Father Michael & Rachel Ferguson, **Mending the Soul** Steven R. Tracy,2009-05-26 This book provides a well researched biblical and scientific overview of abuse A broad overview it deals with the various types of abuse the various effects of abuse and the means of healing Abuse can be sexual physical neglect spiritual and verbal The chief arguments pursued throughout the book are 1 abuse is far more rampant than most Christians realize but due to human depravity and satanic influence widespread abuse is predicable 2 All types of abuse create profound long term soul damage due to the way abuse perverts various aspects of the image of God 3 God is the healing redeemer Human salvation came through horrible physical abuse 4 Healing must take place in the context of relationships Humans are deeply impacted by others due to being made in the image of God Just as surely as abusive relationships have tremendous power to wound the soul so healthy relationships have tremendous power to nurture and heal the soul Questions answered in the book include How can a genuine believer abuse a child Why would someone abuse a child How can parents and childrens workers identify abusers How can abuse victims heal What does genuine healing look like Is anger appropriate or hurtful for abuse victims Where does forgiveness fit in Helpful sample child protection policy application screening interview and warning signs of potential abusers equip ministry leaders Illustrations case studies and art therapy drawings **Where Is God When It Hurts?** Philip Yancey,2010-02-23 Gold Medallion Book Award Winner Over a million copies sold An inspirational classic for more than thirty years Where Is God When It Hurts honestly explores pain from physical wounds to emotional and spiritual pain and sheds new light on God s presence in our suffering How can a loving God allow this to happen God is either all loving or all powerful but he can t be both You ve heard that question and perhaps you ve even asked it yourself When a loved one dies we receive a terminal diagnosis or natural disasters strike people often wonder whether God is the cause of suffering and why he doesn t immediately take away the pain or fix the situation As a result we become angry at the once beloved God who betrayed us Bestselling author Philip Yancey uses examples from the Bible and from his own experiences to show us how we can learn to accept without blame anger or fear what we don t understand Along the way he answers questions such as Why is there such a thing as pain Is pain a message from God How should we respond to suffering How can we learn to cope with pain Where Is God When It Hurts speaks to everyone who thinks that suffering doesn t make sense With compassion and clarity Yancey brings us one step closer to finding an answer when our pain or the pain of those we love is real and we are left wondering where is God when it hurts One of the most helpful treatments of the problem of evil that I ve ever read If I were looking around for something to give to individuals who are going through travail or difficulty this is the book I d recommend Dr Vernon Grounds former Chancellor of Denver Seminar Where Is God When it Hurts/What's So Amazing About Grace? Philip Yancey,2009-12-15 Award

winning author Philip Yancey takes you for a soul searching look at two of Christianity's most important topics WHAT'S SO AMAZING ABOUT GRACE In this critically acclaimed bestselling book Philip Yancey explores the church's great distinctive grace at street level If grace is God's love for the undeserving and if Christians are its sole dispensers then how are we doing at lavishing grace on a world that knows far more of cruelty and unforgiveness than it does of mercy Offering compelling true portraits of grace's life changing power Yancey searches for its presence in his own life and in the church And he challenges us to become living answers to a world that desperately wants to know What's So Amazing About Grace WHERE IS GOD WHEN IT HURTS If there is a loving God then why is it that You've heard that question perhaps asked it yourself No matter how you complete it at its root lies the issue of pain In this award winning book Philip Yancey reveals a God who is neither capricious nor unconcerned Using examples from the Bible and from his own experiences Yancey looks at pain physical emotional and spiritual and helps us understand why we suffer Where Is God When It Hurts will speak to those for whom life sometimes just doesn't make sense And it will help equip anyone who wants to reach out to someone in pain but doesn't know what to say

**Where Is God?** Richard L. Harding, 2002 99 11 01 This day of Infamy is when the world became shocked shattered and vulnerable the old answers had failed That day the search for Millennium truths and the newly discovered SPIRITUAL BRAIN CELLS against terrorism anxiety stress and fear of death came to life

**Where Is God in the Turmoil of a Life-Threatening Illness?** Karen Haren, Sue L. Frymark, 2020-10-28 Why don't we want to talk about death and dying For some it's the fear of the unknown following death For others it may be the fear of pain and possible loss of independence In some cultures caring for sick or aging family members is just a part of life However modern Western families are usually not prepared In Where is God in the Turmoil of a Life Threatening Illness authors Karen Haren and Sue L. Frymark offer guidance in coping with a life threatening illness from a Christian perspective It combines scriptures and personal stories bringing a unique blend of practical emotional and spiritual advice geared for the family The goal is to help families walk through what for many may be their most difficult days Haren and Frymark discuss how God values us during all phases of our lives and that people don't lose their worth when they become sick or incapacitated They describe a phenomenon they call God's symphony orchestra This is when God weaves emotions and events beautifully and powerfully like music from an orchestra with the ill person as the center note

Where Is God When-- Joey O'Connor, 1993

**VeggieTales**, 2003 Where Is God When Bad Things Happen? Luis Palau, 2000 Suffering Its stubborn inevitability prompts our deepest doubts about life as well as a profound search for meaning Why do we suffer Why must we lose the ones we love Why must each of us face sickness and death If God exists where is God when these things happen International evangelist Luis Palau has seen desperate suffering in the lives of millions of people all over the world and has experienced it in his own life In Where Is God When Bad Things Happen Palau helps those in pain come to grips with the crushing adversities of life by directing them to the limitless resources found in God Without sidestepping the most difficult questions

or slipping into the pat answers of a merely intellectual faith Palau provides encouragement and hope to those who sorely need both Although helpful to readers already committed in their faith this book is especially intended for those who are still searching and who wonder where God could be in times of trouble Instead of an academic treatise on the problem of evil Where Is God When Bad Things Happen is an empathetic exploration of divine action in the midst of terrible pain
