Dream Catcher Phyllis Sardone-Ferreira,2013-12 Dream Catcher is a compilation of poetry each with its own soul and heartbeat They are thoughts and words compiled by life experiences and sometimes from an unknown place They hit the page with much anticipation and enthusiasm as they carry words from deep inside They are dark and light filled with love and emptied by doubt They are true events and messages from heaven They are stories born from dreams and dreams that live in stories And dream catchers Before I could truly find you I lost you I am angry at fate because she's a liar Or perhaps it is her truth I find unsettling Darkness creeps in my head she screams my name over and over she knows it so well I am her play and she is the actor She screams my name and they applaud

Before the Storm Ends : A Tale of Secrets and Hearts Ira Rose,2026-01-06 Before the Storm Ends is a quiet emotionally intimate story about grief healing and the fragile hope that follows loss Set against the backdrop of winter and silence the novel follows a woman who is trying to survive the aftermath of heartbreak and emotional exhaustion She is not searching for love only for peace stillness and a way to breathe again But life has a way of offering connection when we least expect it As days pass slowly and conversations remain gentle the story unfolds through small moments unspoken emotions and the comfort of presence This is not a story driven by dramatic twists or loud promises It is about what happens after pain when two people learn to sit with their wounds instead of running from them Tender reflective and deeply atmospheric Before the Storm Ends explores how healing often arrives quietly through patience understanding and the courage to stay when leaving feels easier This book is for readers and listeners who appreciate slow emotional storytelling healing rather than heartbreak introspective characters calm winter like atmospheres love that grows softly not
