Yes God Can:

Yes God speaks, Your dream will become a reality Albert Mangapi, 2020-04 After being the victim of a false prophecy that nearly damaged his reputation and destroyed his family the author realized the danger of false prophecies and false prophets beyond what the bible teaches From this unfortunate experience was born this book that gives a global view of the spiritual world of God and how to detect false revelation He also gives some simple advices in order to experience the fulfillment of what God told us **Yes: God's Answer to Our Questions (Revised Edition)** Kay Mortimer, 2017-05-05 Does God have one answer to any question you pose Does He even care Author Rev Kay Mortimer shows how He does The answer is Y E S Life throws tough questions at us Some of the answers make the difference between a healthy happy life and a miserable existence In this easy read you will discover how the Bible contains an affirmative answer YES to the needs and questions you face Journey through the pages of the Holy Bible and discover how God speaks yes to us in bold and encouraging ways Whether you re a long time Bible student or new to its pages this encouraging book can open your eyes to understand the affirmative and loving God Who inspired its every word Let God s affirmation from the pages of Scripture bring you peace through this inspiring message **How the Bible Works** Brian Malley, 2004-05-12 What do evangelicals believe when they believe in the Bible Despite hundreds of English versions that differ in their texts evangelicals continue to believe that there is a stable text the Bible which is the authoritative word of God and an essential guide to their everyday lives To understand this phenomenon of evangelical Biblicism anthropologist and biblical scholar Brian Malley looks not to the words of the Bible but to the Bible believing communities For as Malley demonstrates it is less the meaning of the words of the Bible itself than how the Bible provides a proper ground for beliefs that matters to evangelicals Drawing on recent cognitive and social theory and extensive fieldwork in an evangelical church Malley s book is an invaluable guide for seminarians social scientists of religion or for anyone who wants to understand just how the Bible works for American evangelicals **God Can't** Thomas Jay Oord, 2019-01-05 Hurting people ask heart felt questions about God and suffering Some answers they receive appeal to mystery God s ways are not our ways Some answers say God allows evil for a greater purpose Some say evil is God s punishment The usual answers fail They don t support the truth that God loves everyone all the time God Can t gives a believable answer to why a good and powerful God doesn t prevent evil Author Thomas Jay Oord says God s love is inherently uncontrolling God loves everyone and everything so God can t control anyone or anything This means God cannot prevent evil singlehandedly God can t stop evildoers whether human animal organism or inanimate objects and forces In God Can t Oord gives a plausible reason why some are healed but many others are not God always works to heal everyone but sometimes our bodies organisms or other creatures do not cooperate with God s healing work Or the conditions of creation are not right for the healing God wants to do Some people think God causes or allows suffering to teach us lessons or build our character God Can t disagrees Oord says God squeezes good from the evil God didn t want in the first place God uses

pain and suffering without willing or even allowing it Most people think God can overcome evil singlehandedly In God Can t Oord says God needs cooperation for love to reign now and later This leads to a better view of the afterlife called relentless love It rejects traditional ideas of heaven hell and annihilation Relentless love holds to the possibility all creatures and all creation will respond to God s love God Can t is written in understandable language As a world renown theologian Thomas Jay Oord brings credibility to the book s radical ideas He explains these ideas through true stories illustrations and scripture God Can t is for those who want answers to tragedy abuse and other evils that make sense What They re Saying If conventional notions of God make less and less sense to you you ll find Thomas Jay Oord s new book a breath of fresh air Simply put God Can t presents an understanding of God that thoughtful ethical people can believe in Brian D McLaren author of The Great Spiritual Migration I did not want this book to end I wish Dr Oord had written it 100 years ago or 1000 years ago To find your understanding of life and your love for God renewed read this book Dr Karen Strand Winslow Ph D Biblical and Jewish Studies Professor of Bible Azusa Pacific University As a clinical psychologist working with people in trauma I owe Thomas Jay Oord an enormous debt of gratitude for recasting the so called problem of evil in terms that are conceptually satisfying theologically consistent and pastorally liberating Dr Roger Bretherton Principal Lecturer at the University of Lincoln UK Chair of the British Association of Christians in Psychology Victims of trauma sometimes hear theological responses that imply their suffering is somehow God s will A more careful theological reflection on the nature of the power of a God who is love can help Oord gives us a clear and compelling alternative in this profoundly insightful and admirably concrete and accessible book Dr Anna Case Winters Professor of Theology at McCormick Theological Seminary I know of no book that speaks to suffering with the depth of theological sophistication and psychological sensitivity as God Can t This book is a rare combination of depth and accessibility truly written for the wounded I recommend it to my students parishioners and therapy clients Dr Brad D Strawn Professor of the Integration of Psychology and Theology Fuller Theological Seminary
