Yogi Ramsuratkumar:

Yogi Ramsuratkumar Truman Caylor Wadlington, 1972 **The Baul Tradition** Mary Young, 2014-09-29 This book traces the Baul Path a Tantric spiritual tradition from its earliest roots in the subcontinent of India to its dissemination in the West in modern times Baul meaning madcap or taken by the wind describes one who has a vision of reality so piercing Wandering and begging as a way of life Teachings encoded in song and dance Yogas of the body including hatha sexuality breath Each of these tenets is elaborated in depth as the author highlights the notable differences in their expression then now in East West The outstanding contribution of this book is its first hand account of the introduction of Baul spirituality to the modern world through the life work of Kh pa Lee Lozowick 1943 2010 an American teacher the spiritual Heart Son of Yogi Ramsuratkumar the revered Beggar Saint of Tiruvannamalai south India In 2008 M Young accompanied Khepa Lee to Bengal where they met with eminent Baul gurus practitioners many who had long awaited an exchange with their American brother On this trip his band of Western Bauls shared their American rock blues in a unique interplay between East West Foreword is by Parvathy Baul internationally acclaimed musician and representative of the traditional Baul path M Young s work is a feast of scholarship rich in memoir practical wisdom [On the Road to Enlightened Duality](#) M. Young, 2015-08-28 While traveling the road on pilgrimage or following American Baul Master Khepa Lee Lozowick 1943 2010 in his daunting travel schedule author Mary Angelon Young crafted a collection of essays that explore and evoke the many moods of Enlightened Duality one of Lozowick s core teachings in the path of Western Bauls This dynamic spiritual principle suggests that the spiritual seeker can combine an integrated awareness of the nondual all is One with a lively conscious relationship to the duality or play of opposites that is the constant fare of everyday life Unlike those strictly nondual perspectives that relegate the human experience to an illusion of the mind Lozowick asserted that while nondual unity is the foundation of what is simultaneously life is real These original essays cover such universal themes as Impermanence Beauty and Transformation and comprise one wayfarer s reflections reveries and research Some are flavored with academic spice but most are predominantly experiential presenting a kaleidoscopic journey that unfolds much like a large multifaceted jewel looked at from many different directions Each essay has its own integrity and stands on its own authority Yet taken as a whole they form a useful map of the tantric path charting its depths through daily events travel relationships creativity and work all continuous integrated aspects of the transformational path The teaching of enlightened duality can be found in many guises within the world s great traditions including Sufi Vajrayana Buddhist and both bhakti and tantric Hindu paths It is a universal theme and yet the treatment here runs true to the theistic underpinnings of the lineage from which it comes Khepa Lee Lozowick Sri Yogi Ramsuratkumar and Swami Ramdas From this view the highest aim of spiritual practice is to integrate mystical experience and insights of nonduality into ordinary life This book provides a genuine feast of practical wisdom for the hungry seeker who yearns for a path through life that is both transformational and yet honoring of the innate dignity and

potential of the human incarnation The author has travelled extensively in India and Europe has studied the Sanskrit Hindu and Buddhist traditions and has written published an extensive treatise on the Baul Path The Baul Tradition Hohm Press 2014 Jai's Story Part Two - A Contemporary Yogi's Experience of Loss, Love and Liberation Kieran O'Callaghan-Rishikiz,2024-09-13 Following the farewell funeral and celebration of Jairam s life in Australia his father and older brother embarked on a profound pilgrimage to India on Jai s behalf Just before he passed on Jai was super keen to have this experience This Indian adventure was an amazing experience connecting with great yogis and wise enlightened teachers As you read it you will be inspired and awakened to the rich possibilities of life This book will give readers inspiration and upliftment insight and understanding healing and transformation love and connection **A Man and His Master** N. S. Subramanian,A. Mani,2015-02-25 A memoir of years of service to the God mad Beggar and saint Yogi Ramsuratkumar The author was chosen by Yogi Ramsuratkumar to oversee and manage the building of his temple in Tiruvannamalai Tamil Nadu India From the moment Yogi Ramsuratkumar asked Mani to serve him in early 1994 to the Yogi s death in 2001 Mani lived with and served him constantly and continuously never leaving his post without first asking permission Mani s account which presents dynamic teaching stories of Yogi Ramsuratkumar also offers details about his own life of surrender on a spiritual path **My Body Is A Temple** Christina Sell,2011-12-13 With the freshness of a memoir author and yoga teacher Christina Sell draws upon her first visit to an extraordinary temple in southern India to present basic principles of yoga Beyond the ordinary aims of yoga as a means of stretching and strengthening or even for being happier or more centered My Body is a Temple is an instruction manual for dedicating oneself to a life of the spirit in and through the vehicle of the human body The body as a temple is a common metaphor within many spiritual traditions In this book Christina Sell delves into the how and why of this widely accepted comparison My Body Is a Temple will encourage readers to listen to and honor the body and to enter more fully into their everyday lives to see that each activity contains a Divine blueprint for success It will help any yoga student to reclaim the raw materials and energy always already present to build his or her body as a temple to provide refuge and sanctuary for themselves and inspiration for others While the author s tradition is that of Anusara Yoga a strongly heart centered approach the book is written for any hatha yoga aspirant or practitioner Her commitment is to traditional yogic practices and ideals without being rigid My Body Is a Temple is a vital and realistic treatment about the process of human change and transformation Beyond Fitness Yoga is a Means of Self Honoring and Spiritual Transformation This book will be well used by both students and teachers of yoga It should be included in all yoga and fitness centers and in popular library collections **Yogi Ramsuratkumar** Truman Caylor Wadlington,1972 **Yogi Ramsuratkumar** M. the feet of Swami Papa Ramdas of Kerala This book takes the reader into the unfolding story of this great yogi s life First hand accounts anecdotes and teachings transport the reader into his world a world that is mystical miraculous and astounding in its scope while at the same time it is mysteriously felt to be nearer than near To be touched by the truth beauty and love that emanate from such a being is to be reminded of our deepest longings The life of Yogi Ramsuratkumar calls upon us to touch that longing within ourselves and to celebrate the inspiration of one rare individual who abandoned everything for the love of God

Biography of Yogi Ramsuratkumar S. Parthasarathy,200? **Swami Vivekananda** Makarand Paranjape,2019-12-25 Arguably the greatest achievement of Swami Vivekananda one of the most celebrated icons of modern India was the reconstruction of Hinduism This he accomplished by reforming the religion in India and changing its image in the West Indeed the Hinduism that Vivekananda expounded at the Parliament of World s Religions in Chicago was a new progressive version of an ancient tradition devoid of the superstitions and distortions with which it had come to be associated He revolutionized Hindu faith traditions by turning them into a repository of rational universal philosophy This book tries to get to the heart of Swami Vivekananda s legacy and his relevance in the contemporary world It examines hitherto lesser known aspects of Swamiji s life and work including his contributions to practical Vedanta universal religion science spirituality and inter religious dialogue dharmic secularism educational philosophy poetry and above all to the problem of Indian modernity Despite the abundance of literature available on him Swami Vivekananda is still not understood adequately remaining somewhat of an enigma A fresh reading of the life and times of the Swami by someone who has studied him closely Makarand R Paranjape s detailed thought provoking account shows that in Vivekananda s visionary thoughts lay the seeds of the creation of a modern India This book reclaims Swami Vivekananda s stature as a pioneer of contemporary Hindu thought and nationalism
