Timeless Acres:

Timeless Acres E. Rishe, 2002-09-19 Cassandra Blake and Joshua Brett do not meet at the best of times He is confined to a wheelchair with paralysis As a consequence he has become frustrated rude obstinate and chauvinistic She on the other hand is a physical therapist who has suffered the loss of her fianc and her girlfriend She is also facing the possible death of a very dear friend Joshua needs Cassandra and uses his money to get what he wants Their path is rocky as they walk a tightrope of emotions both enduring more trials in their lives Unexpectedly a 3 yr old boy becomes Joshua s ward and Cassandra becomes more and more entrenched in his household He asks her to marry him but the words that follow his proposal are like a shower of ice water Joshua has another near fatal incident and survives Then when Cassandra is in danger he must go to her despite his disability Fear for her life drives him Can love grow out of desperate situations [Lentil Underground](#) Liz Carlisle, 2015-01-22 A prot g of Michael Pollan shares the story of a little known group of renegade farmers who defied corporate agribusiness by launching a unique sustainable farm to table food movement The story of the Lentil Underground begins on a 280 acre homestead rooted in America s Great Plains the Oien family farm Forty years ago corporate agribusiness told small farmers like the Oiens to get big or get out But twenty seven year old David Oien decided to take a stand becoming the first in his conservative Montana county to plant a radically different crop organic lentils Unlike the chemically dependent grains American farmers had been told to grow lentils make their own fertilizer and tolerate variable climate conditions so their farmers aren t beholden to industrial methods Today Oien leads an underground network of organic farmers who work with heirloom seeds and biologically diverse farm systems Under the brand Timeless Natural Food their unique business cum movement has grown into a million dollar enterprise that sells to Whole Foods hundreds of independent natural foods stores and a host of renowned restaurants From the heart of Big Sky Country comes this inspiring story of a handful of colorful pioneers who have successfully bucked the chemically based food chain and the entrenched power of agribusiness s one percent by stubbornly banding together Journalist and native Montanan Liz Carlisle weaves an eye opening and richly reported narrative that will be welcomed by everyone concerned with the future of American agriculture and natural food in an increasingly uncertain world [The Nowhere Office](#) Julia Hobsbawm, 2022-04-12 Named one of the Financial Times BEST BUSINESS BOOKS OF 2022 What has changed in the workplace Everything The traditional office was probably doomed anyway Then a global shutdown changed everything we thought we knew about work including where and when it needed to take place Automation and the Fourth Industrial Revolution have accelerated and perhaps as much as one third of the world s permanent workforce will soon become remote In The Nowhere Office Julia Hobsbawm offers a strategic and practical guide to navigating this pivotal moment in the history of work and provides lessons for how both employees and employers can adapt Hobsbawm draws on her extensive networks in business academia and entrepreneurship across generations to offer new ideas about how to handle hybrid working as well as provides deep insight

into how the way we work is being transformed by larger issues such as community hierarchy bias identity and security The Nowhere Office describes a unique moment in the history of work which if understood and handled correctly can provide a springboard for the biggest transformational change in the workplace for a century something better more meaningful and more workable for everyone
