Gillingham, 1999 Advocating a pluralistic reading that acknowledges the many voices speaking in the Bible Susan Gillingham offers theological historical and literary insights into the compilation of Scripture and the development of biblical studies Providing one of the most accessible and helpful introductions to the Bible available this volume clearly outlines the main issues in understanding Scripture and demonstrates using Psalm 8 as an example the best method for reading the Bible today     *Discerning the Voice of God* Priscilla Shirer, 2012-01-01 Studying the Word of God heightens our spiritual senses to hear the still small voice of God and helps us recognize the promptings of the Holy Spirit From the Old Testament prophets to modern day believers noted author and speaker Priscilla Shirer walks the reader through Scripture that captures the method and tone of God s communication and teaches the reader to beware of counterfeit voices how in each encounter God s voice may differ but the nature of it does not     *And I Turned to See the Voice ()* Edith M. Humphrey, 2007-11-01 Vision reports in the New Testament Stephen s vision at his stoning Paul s experience in the third heaven John s apocalyptic visions on the isle of Patmos pull readers and listeners into a dramatic and dynamic thought world Author Edith M Humphrey takes a literary rhetorical approach to examine how word and image work together in understanding vision reports demonstrating how biblical visions convey and reinforce messages that deeply affect readers Visions Humphrey believes have not only been seen and heard but also can be transmitted as more than teaching *And I Turned to See the Voice* uncovers a fascinating combination of beauty potency and mystery behind New Testament vision accounts     **Discerning the Voice of God - Bible Study Book with Video Access** Priscilla Shirer, 2023-11-15     **Studies in the Scriptures, Series IV** Charles Taze Russell, 1917     **Studies in the Scriptures: The finished mystery. 1918** Charles Taze Russell, 1917     *Studies in the Scriptures: Thy kingdom come. 1913* Charles Taze Russell, 1891     **Studies in the Scriptures ...** Charles Taze Russell, 1889     *Voice Studies* Konstantinos

Thomaidis, Ben Macpherson, 2015-05-22 *Voice Studies* brings together leading international scholars and practitioners to re-examine what voice is, what voice does, and what we mean by voice studies in the process and experience of performance. This dynamic and interdisciplinary publication draws on a broad range of approaches from composing and voice teaching through to psychoanalysis and philosophy including voice training from the Alexander Technique to practice as research, operatic and extended voices in early baroque and contemporary underwater singing, voices across cultures from site-specific choral performance in Kentish mines and Australian sound art to the laments of Kraho Indians, Korean pansori, and Javanese wayang. Voice embodiment and gender in Robertson's 1798 production of *Phantasmagoria*, Cathy Berberian radio show, and Romeo Castellucci's theatre: perceiving voice as a composer, listener, or as eavesdropper, voice technology and mobile apps. With contributions spanning six continents, the volume considers the processes of teaching or writing for voice, the performance of voice in theatre, live art, music, and on recordings, and the experience of voice in acoustic perception and research. It concludes with a multifaceted series of short provocations that simply revisit the core question of the whole volume: what is voice studies.
