Promoting Inclusive Growth in the Middle East and North Africa Mr. Roberto Cardarelli,International Monetary Fund,Ms. Mercedes Vera-Martín,Mr. Subir Lall,2022-10-11 Countries in the Middle East and North Africa need to boost job creation and ensure that the benefits of economic development are widely shared This book reassesses the inclusive growth agenda in the region in light of the rapidly changing pandemic influenced world

The New World of Work Bashker Biswas,William Garrison,Robert Ramirez,2022-11-11 Arguing that a functional approach to Human Resource Management is fast becoming obsolete this book explores the many areas of accelerated change in the workplace and how business leaders must evolve their thinking to meet the needs of their workers and managers alike With a clear focus on the accelerations caused by Covid 19 and how technological platforms have enabled working practices and business continuity the book effectively lays the groundwork for a changed but well functioning people management system The authors present the new model of Strategic Human Asset Lifecycle Management that incorporates the drastic changes in how jobs are designed how human talent is acquired how work is performed how work is rewarded and conditions set and crucially how labor laws must change all to meet the fast moving requirements of a digitized world Enriched with cases that illustrate both well adapted and badly adapted organizations as well as helpful summaries and thought provoking challenges this book is an essential resource for all those who aspire to great people leadership in their organizations including HR professionals instructors and upper level students

Trust In Leadership Bianca Harrington,AI,2025-02-20 In today s rapidly evolving business landscape Trust In Leadership argues that trust is not just a desirable quality but the very bedrock of effective leadership This book provides a practical framework for leaders to cultivate trust within teams organizations and

stakeholder groups by emphasizing integrity in ethical decision making It explores how leaders can move beyond short term gains to foster long term relationships built on transparency and accountability ultimately boosting employee engagement and organizational performance The book examines the anatomy of trust its psychological and sociological underpinnings and offers case studies of leaders navigating ethical dilemmas It highlights the importance of communication empathy and vulnerability in building a strong trust climate What distinguishes this book is its focus on actionable strategies and global perspectives making it a valuable resource for current and aspiring leaders seeking to improve their management skills and build stronger organizations Structured to provide a comprehensive understanding the book begins by defining trust and progresses to offering a diagnostic tool to measure trust within a business unit Supported by academic research case studies and leadership surveys it demonstrates the tangible benefits of trust and provides a roadmap for leaders to assess diagnose and improve trust in various contexts

How Work Works Michelle P. King, 2023-10-10 A unique and revelatory guide to understanding and navigating the unwritten rules of the workplace the key to achieving success finding meaning and staying true to your authentic self in today s business world from the organizational expert and celebrated author of *The Fix* In her two decades researching organizations Michelle King has discovered that people who succeed possess a particularly unique skill They know how workplaces work More specifically to get ahead they do not rely on the often generic and outdated written formal rules that for a century have defined the workplace Instead they have learned to gauge how they should behave and perform by becoming aware of informal and unspoken rules that exist just below the surface rather than formal organizational guidelines In this one of a kind guide King offers her proprietary framework based on over ten years of research and hundreds of employees who reached leadership positions By focusing on five key areas navigating informal networks developing self awareness and awareness of others learning the skills you need to be adaptive to changing conditions getting support for your next promotion and finding meaning and fulfillment at work King teaches every professional how to understand and make these systems work for them and achieve their career ambitions The new world of work requires a new way of working With more people vying for top positions a volatile unpredictable global workplace and an ever evolving landscape it is increasingly important for employees to understand how to negotiate the unspoken and intangible elements of workplace culture In *How Work Works* King dispels old myths and provides keen observations about what it means to find belonging build networks manage the informal and ultimately thrive at work
