Revelation John F. MacArthur,2006-09-03 The book of Revelation unveils Jesus Christ in glory Written by the apostle John Revelation was a letter to churches in Asia Minor who were feeling the overwhelming effects of persecution from all sides This book was a reminder that encouraged them to remain faithful Through vivid imagery John writes Revelation to reveal the end of human history the return of Christ and the establishment of a new heaven and a new earth Revelation message of hope assures Christians that God is in sovereign control of all past present and future events and that Jesus Christ will judge the lost and rule in ultimate victory over all human and demonic opposition The Mac Arthur Study Guide Series provides a twelve week verse by verse examination of the books of the New Testament This revised and updated series continues to be one of the best selling study guides currently available for individuals or small groups Features Include Twelve week study Thought provoking questions Verse by verse commentary Space provided for note taking

*The Book of Revelation* Ed Griffiths,2017-01-04 The Revelation of Jesus Christ which GOD gave unto Him to show unto His servants things which must shortly come to pass This book is structured for a personal study and a way to encourage others to spend time investigating the treasures awaiting all of us in the WORD If events in Revelation are not explicitly delineated in Revelation the meaning is found in other books of the bible This is the only book in the Bible that carries its own blessing for all who read and study this book Blessed is he that reads and they that hear the words of this prophecy and keep those things which are written therein for the time is at hand

*Revelation* Ray C. Stedman,Nancy J. Collins,2003-01-01 This is a 24 week Bible study on the Book of Revelation including both commentary and daily study questions

*You Can Understand the Book of Revelation* Jeff Scoggins,2013 Some Christians say Revelation is a closed book and not meant for human understanding Actually the word revelation means unveiling and the first chapter of Revelation promises a blessing to all who read and take it to heart Other readers study Revelation over and over but end up confused about all the beasts scrolls trumpets and angels The truth is that Revelation is the story of Jesus Christ from beginning to end and we need to understand the plot of that story before sorting out the details A few preachers even use the newspaper to interpret Revelation equating each symbol with a specific event in yesterday s news Actually Revelation is best interpreted using the Bible itself You can learn to understand prophecy for yourself all you need is a safe method of Bible study and the guidance of the Holy Spirit Once you grasp the basic method we ll use those tools to walk through the central portion of Revelation which deals with earth s final crisis just before the second coming of Jesus You may have to re think everything you thought you knew about interpreting prophecy but you ll know that you stand on the firm footing of God s word Open your Bible and join us for the journey

**Life-study of Revelation** Witness Lee,2023-09-27 The book of Revelation firstly reveals Christ 1 1 and

secondly the testimony of Jesus 1 2 In other words this book is concerned with Christ and the church In Revelation Christ and the church are revealed in a unique and particular way Several aspects of Christ such as the vision of Him as the High Priest in the midst of the churches caring for them in love yet with a judging attitude 1 13 16 the vision of Him as the Lion Lamb in the midst of God s throne and of the four living creatures and in the midst of the 24 elders of the universe opening the seven seals of God s universal administration 5 1 6 1 and the vision of Him as Another Mighty Angel coming down from heaven to take possession of the earth 10 1 8 18 1 have never been unveiled as they are in the book of Revelation In this book the revelation of Christ is unique and ultimate In addition to this ultimate revelation of Christ the book of Revelation also unveils many unique aspects of the church as the testimony of Jesus The lampstands in chapter one the great multitude of the redeemed in chapter seven the bright woman with her man child in chapter 12 the harvest with its firstfruits in chapter 14 the overcomers on the sea of glass in chapter 15 the bride ready for marriage and the fighting army of Christ in chapter 19 and the New Jerusalem in chapters 21 and 22 are all the testimony of Jesus which is the Spirit the substance the disposition and the characteristic of the prophecy in this book 19 10 The central content of this book is an unveiling of God s economy concerning Christ and the church presenting the ultimate and consummate revelation of Christ with His full salvation and the church as His loving bride the New Jerusalem In this book we find the full and adequate conclusion not only to the writings of John and to the New Testament but also to the entire divine revelation

*Revelation Study Guide (Volume 1)* Adrian Rogers, 2019-09-18

Of the 66 books in the Bible, Revelation is the only book that guarantees a blessing if you will only read it. It is like the clasp which binds the Bible together. Genesis describes the start of this world and Revelation explains the end. If Genesis is the seed bed of all theology, then Revelation offers the fruit of theology.

**Revelation** M.R. DeHaan, 2015-05-07

Blessed is he that readeth and they that hear the words of this prophecy and keep those things which are written therein; for the time is at hand. Rev 1:3 Behold, I come quickly; blessed is he that keepeth the sayings of the prophecy of this book. Rev 22:7 The author of the book of the revelation is Jesus Christ. Rev 22:16 The Lord intended that this book should be read and studied especially by His people. Rev 1:3 It is not a sealed book, as many suppose, but one which is open and easy to understand. Rev 22:10 Bearing these facts in mind, we find the study of Revelation to be fascinating, illuminating, and deeply profitable, instead of difficult and confusing. The messages in this volume constitute thirty-five radio sermons which were preached first over the Mutual Network and by foreign and short wave stations around the world from August 1945 to April 1946. The response to these radio messages was so enthusiastic and the evident desire for light on the book of the Revelation so general that we soon decided to print these studies on one volume. Hence this book. No attempt has been made to present an exhaustive verse-by-verse exposition of the book, but rather we have tried to present the general outline, the basic structure, and the framework. We have dwelt at length on certain passages because they constitute the pillars of the book. Our purpose is to present clearly the general outline and structure, and then the details will fall naturally into their proper places. If certain simple rules are followed in reading and studying it, the book of the Revelation becomes clear, logical, and easily understood. We present here a few rules which should be observed before studying the book.

1. Revelation is not a dark book. It is a revelation.
2. It is not necessary for one to understand all the symbols and details if he is to gain a deeper knowledge of the book as a whole. One need not be able to identify every tree in the forest to appreciate the beauty of the forest as a whole.
3. Observe the rule of literal interpretation. The greatest curse of the Christian Church is the evil of spiritualizing the Bible. Although there are many symbols and signs in the book, as in every other book, and in our daily conversation, the context indicates whether a passage is to be interpreted literally or symbolically. Interpret literally, except where the context or grammatical structure clearly indicates that the reference is a symbol or a sign.
4. Approach the Book with a fresh mind. Try to forget the views you have held concerning the Book, because others have declared it to be mysterious and beyond our understanding. Thousands of

believers never read Revelation but carefully avoid it simply because someone told them it is a dark book and impossible to understand Study the book for yourself 5 Read the book prayerfully realizing that the Holy Spirit who infallibly inspired the book is also the person Who must illuminate the book Never read a portion of scripture without first asking Him for light and guidance We submit for your help the following simple outline of Revelation Remember these five rules as you study it If you will memorize the outline thoroughly and keep it clearly before your mind you will have no trouble filling in the details Grand Rapids Michigan M R DeHaan **Revelation Bible Study The Last Seven Years** Kathleen Dalton,2015-07-02 My goal for this chapter by chapter Bible study in Revelation is that we will be overtaken with that sitting in the back seat are we there yet longing that will only go away once we see the arrival of Jesus Christ into our world for the second time in history The first time He came as a baby The second time oh my Let s think of world history as a stage and imagine there are a series of curtains on that stage curtains that are fairly see through so that as each curtain is removed the one person standing on the stage gets easier and easier to see That may help us realize what has been happening since the creation of the world and what will be happening as the events of Revelation unfold Every event points to Jesus Every mercy every disaster every judgment every moment of grace all of them reveal Jesus to us more and more and more until finally we see Him clearly in Revelation Chapter 19 mounted on a white horse returning to be King over the world that was made for Him *The Simple Way to Study the Book of Revelation* Auguste Gary,2015-11-11 Aware of the difficulties encountered by the vast majority of the believers of the body of Christ concerning the book of Revelation he has seen fit to put his knowledge at the disposal of each and every one who has a real desire to study the Revelation of Jesus Christ The book of Revelation is not as difficult as many people think it is In fact to study that book first of all you need to understand how its introduction was written secondly how its messages are communicated and thirdly how to interpret its symbols Once you understand those three basic elements all that will be left to do is go through the other books of the Bible in order to find out the correct interpretations for the symbols that are found in the first five chapters of the book of Revelation This study is a useful resource that will actually open your eyes to the wisdom of the book of Revelation The explanations are clear direct and simple All that is said in this book is based entirely on the self sufficiency of the Bible We encourage you to take this study very seriously because it also has a great deal of information to share with you on the subject of the rapture of the church Please do not just take our word for it see it for yourself **The Study of the Book of Revelation** Mark Goad,2016-08-17 The study of the book of Revelation provides an in depth review of the second coming of Christ Christian life before and after why this book is miss understood and not taught in bible study or preached from as often as it should be **Revelation- Jensen Bible Self Study Guide** Irving Jensen,1990-05-08 Exploring the Bible s message is easy and exciting with these complete do it yourself Bible study guides Each study includes helpful outlines charts maps diagrams and explanations Excellent for personal group or classroom use [Understanding the Book of Revelation](#) D. been thought of as a formidable and confusing work understandable to only elite bible scholars But like its very name Revelation understanding of this seemingly complex book is available to all God has even promised a special blessing to those who read it David Baxley D Min has broken down the perceived barriers and written a simple verse by verse commentary that is understandable to even beginning bible students It includes maps a chronology of end time events and wars definitions and cross references to Old Testament scriptures that point to the time of the end He also includes discussion of sections that are still not fully understood or defined with possible varying interpretations Revelation readers can get bogged down in the symbolism and sensationalism of the judgment and miss the main message of the book It s a book of hope in the return of Jesus Christ and His perfect rule that will bring an end to evil and injustice and believers will live with God forevermore A bible student for over 50 years and pastor for over 40 Dr David Baxley has studied and taught the Book of Revelation extensively While in the hospital recovering from a heart transplant he realized that the sequence of end time events was still not clear in his mind so he spent the next two years in intense study This book is the result of that study
