**Football and Manliness** Thomas P. Oates, 2017-03-30 Women African Americans and gays have recently upended US culture with demands for inclusion and respect while economic changes have transformed work and daily life for millions of Americans The national obsession with the National Football League provides a window on this dynamic period of change reshaping ideas about manliness to respond to new urgencies on and beyond the gridiron Thomas P Oates uses feminist theory to break down the dynamic cultural politics shaping and shaped by today s NFL As he shows the league s wildly popular product provides an arena for media producers to work out and recalibrate the anxieties contradictions and challenges that characterize contemporary masculinity Oates draws from a range of pop culture narratives to map the complex set of theories about gender and race and to reveal a league and fan base in flux Though longing for a past dominated by white masculinity the mediated NFL also subtly aligns with a new economic reality that demands it cope with the shifting relations of gender race sexuality and class Indeed pro football crafts new meanings of each by its canny mobilization of historic ideological processes Table Top Football Klutz Press, 1993-03 Although table top football is a game universally played in schools across the land there has been a distinct lack of uniformity in rule interpretation between districts Until now We humbly present the definitive word on the subject illustrated with a potpourri of wild graphics and packaged with a hand stitched cowhide finger football

**Hebrews for Everyone** N. T. Wright, 2004-01-01 Enlarged print edition now available Writing in an approachable and anecdotal style Tom Wright helps us to find our way around the letter to the Hebrews one of the most challenging writings in the New Testament He acknowledges that people often find it difficult because some of the ideas it contains are strange to us Yet like meeting a new friend Wright helps us to find Hebrews full of interest and delight with a powerful message that comes home to the church of today and tomorrow just as much as it did to the church of yesterday Tom Wright has undertaken a tremendous task to provide guides to all the books of the New Testament and to include in them his own translation of the entire text Each short passage is followed by a highly readable discussion with background information useful explanations and suggestions and thoughts as to how the text can be relevant to our lives today A glossary is included at the back of the book The series is suitable for group study personal study or daily devotions
