Whip Hand:

Whip Hand Dick Francis, 1987-02-12 Challenging First class THE BALTIMORE SUN Sid Halley once a jockey was now a private investigator with only one good hand left after a horse fell on the other His new life though could never erase the haunting memories of his past glories But it was only when the wife of one of England's top trainers came to beg his help in preventing foul play at the race track that Sid Halley began to know what being haunted really was **Slang and Its Analogues Past and Present: Stra to Z** John Stephen Farmer, 1904 **Early American Proverbs and Proverbial Phrases** Bartlett Jere Whiting, 1977 p B J Whiting savors proverbial expressions and has devoted much of his lifetime to studying and collecting them no one knows more about British and American proverbs than he The present volume based upon writings in British North America from the earliest settlements to approximately 1820 complements his and Archer Taylor's Dictionary of American Proverbs and Proverbial Phrases 1820 1880 It differs from that work and from other standard collections however in that its sources are primarily not literary but instead workaday writings letters diaries histories travel books political pamphlets and the like The authors represent a wide cross section of the populace from scholars and statesmen to farmers shopkeepers sailors and hunters Mr Whiting has combed all the obvious sources and hundreds of out of the way publications of local journals and historical societies This body of material because it covers territory that has not been extracted and compiled in a scholarly way before can justly be said to be the most valuable of all those that Whiting has brought together according to Albert B Friedman What makes the work important is Whiting's authority a proverb or proverbial phrase is what BJW thinks is a proverb or proverbial phrase There is no objective operative definition of any value no divining rod his tact feel experience determine what's the real thing and what is spurious 101 Eventing Tips James Wofford, 2006-01-01 Three day eventing known as the complete competition requires the same horse and rider team to ride a dressage test a demanding cross country obstacle course and a show jumping round 101 Eventing Tips includes advice on selecting a horse establishing horse and rider training programs and taking part in entry level competitions **The Whip Hand** Samuel Merwin, 2020-08-06 Reproduction of the original The Whip Hand by Samuel Merwin **Hand Book of Briticisms, Americanisms, Colloquial and Provincial Words and Phrases** Bp.
