**New Directions in Childhood Studies** James M. Curtis,2024-01-04 New Directions in Childhood Studies Innocence Trauma and Agency in the Twenty first Century acknowledges that the conceptual frameworks for understanding the experience of childhood in the twentieth century are no longer adequate and offers important updates to the construct of American childhood The chapters in this collection examine contemporary children s literature film and video games to explore the ways in which everyday realities like trauma disaster and death impact the experience of childhood in America today In many ways the essays show the narratives blur traditional lines between children s and adult content taking children series as subjects while also guiding them through the processes of dealing with the particular challenges Collectively the essays develop a more contemporary construct of the American child and offer new insights into what that construction might mean for contemporary American society and culture *New Directions in Art, Fashion, and Wine* Annamma

Joy,2023-05-30 Sustainability digitalization and artification have become the cornerstones of a successful business model in a world rocked by the effects of a pandemic and a climate crisis Organizational strategies in the art fashion and wine industries have to be redesigned to reflect these changes The circular model discussed in this work provides guidance and a vision for systematically moving towards social and environmental sustainability from both a production and consumption perspective Digitalization provides a viable alternative to brick and mortar and helps create a hybrid presence for brands in both real and virtual worlds Artification is the process of elevating an object into a work of art and closely mirrors the aestheticization of society in a postmodern world While selling online is a given creating an auratic atmosphere to envelop and provide an unforgettable experience requires greater levels of creativity Each chapter focuses on aspects of consumer culture theory with its emphasis on identity lifestyle and symbolic meaning with the introductory chapter paying more attention to the application of practice theory to the study of sustainability artification and digitalization The complementarity between the practice turn and the cultural turn promises new insights New Venture Creation Paul Burns,2023-12-30 Structured
