## **Situated Textualities Science Computing And The Arts:**

**Critiques of Knowing** Lynette Hunter,2002     *Situated Textualities* Lynette Hunter,1999     Performance Cultures as Epistemic Cultures, Volume I Erika Fischer-Lichte,Torsten Jost,Milos Kotic,Astrid Schenka,2023-04-07 This volume investigates performances as situated machineries of knowing Karin Knorr Cetina exploring them as relational processes for in and with which performers as well as spectators actively re generate diverse practices of knowing knowledges and epistemologies Performance cultures are distinct but interconnected environments of knowledge practice Their characteristic features depend not least on historical as well as contemporary practices and processes of interweaving performance cultures The book presents case studies from diverse locations around the globe including Argentina Canada China Greece India Poland Singapore and the United States Authored by leading scholars in theater performance and dance studies its chapters probe not only what kinds of knowledges are re generated in performances for example cultural social aesthetic and or spiritual knowledges the contributions investigate also how performers and spectators practice knowing and not knowing in performances paying particular attention to practices and processes of interweaving performance cultures and the ways in which they contribute to shaping performances as dynamic machineries of knowing today Ideal for researchers students and practitioners of theater performance and dance

**Re Generating Knowledges in Performance** explores vital knowledge serving functions of performance investigating and emphasizing in particular the impact and potential of practices and processes of interweaving of performance cultures that enable performers and spectators to re generate crucial knowledges in increasingly diverse ways     Nicole Brossard Nicole Brossard,2005 This collection offers unpublished poems by Nicole Brossard extensive fragments of a conversation with her and essays that critically appreciate many of her more than twenty collections of poetry nine novels and countless works of theory and commentary

**BOOK JACKET     Mapping Landscapes for Performance as Research** Shannon Rose Riley,Lynette Hunter,2009-07-16 Although the sciences have long understood the value of practice based research the arts and humanities have tended to structure a gap between practice and analysis This book examines differences and similarities between Performance as Research practices in various community and national contexts mapping out the landscape of this new field     Literary Value/ Cultural Power Lynette Hunter,2001 Hunter examines the marginalised verbal arts written and spoken texts that don t fit the conventional patterns such as e mail letters diaries writing and speaking from the Black diaspora women s writing and electronic texts     *The Rhetorics of Feminism* Lynne Pearce,2013-04-15 Is it possible that changes in rhetorical practice could alter not just how thought is expressed but also how it is made Through a close stylistic and rhetorical analysis of contemporary feminist writing from the cultural theory of Judith Butler to the popular journalism of Naomi Wolf and Germaine Greer Lynne Pearce demonstrates how feminist thought is created as well as communicated through the frameworks in which it is presented By linking rhetorical innovation with feminist epistemology in such a direct way this is a

book that will be of immense methodological as well as theoretical interest to readers providing valuable insight into the often mysterious processes of conception and composition

**Sentient Performativities of Embodiment** Lynette Hunter, Elisabeth Krimmer, Peter Lichtenfels, 2016-05-05 This collection offers writings on the body with a focus on performance defined as both staged performance and everyday performance Traditionally theorizations of the body have either analyzed its impact on its socio historical environment or treated the body as a self enclosed semiotic and affective system This collection makes a conscious effort to merge these two approaches It is interested in interactions between bodies and other bodies bodies and environments and bodies and objects

**Interrogating Cultural Studies** Paul Bowman, 2003-01-20 This book presents a new approach to the field of cultural studies in the form of a series of interviews with some of the world s leading and emergent cultural theorists including Simon Critchley Jeremy Gilbert and Slavoj Zizek Framed by lively and informative introductions which introduce the work of these thinkers and which also introduce the reader to the crucial importance of the issues that the interviews address The book is an entertaining introduction to the key ideas in the field the strengths and problematic weaknesses of cultural studies as a discipline allowing the reader to chart its development and to identify emerging trends

**Post-Marxism Versus Cultural Studies** Paul Bowman, 2007 Post Marxism versus Cultural Studies is an innovative exploration of the ethical and political significance of Cultural Studies and Post Marxist discourse theory It argues that although Cultural Studies and post Marxism tend to present themselves as distinct entities they actually share a project that of taking on the political Post Marxism presents itself as having a developed theory of political strategy while Cultural Studies has claimed to be both practical and political Bowman examines these intertwined overlapping controversial and contested claims and orientations by way of a deconstructive reading that is led by the question of intervention what is the intervention of post Marxism of Cultural Studies of each into the other and into other institutional and political contexts and scenes Through considerations of key aspects of Cultural Studies and cultural theory Post Marxism versus Cultural Studies argues that the very thing that is fundamental to both of these politicised approaches the quest to establish a theory of intervention and to relate this to a practice actually remains frustrated and unrealised as a direct result of the way this has been approached Because of this stalemate Post Marxism versus Cultural Studies proposes a new theory of pragmatic intervention one that is derived from Derridean deconstruction post Marxism and Cultural Studies and which will be of importance and value for politicised academics and intellectuals working in all areas of political and Cultural Studies

**Key Features** An innovative take on the disciplines of Cultural Studies and Post Marxism with a clear account of what Cultural Studies and post Marxism are and why they are important Offers explanations accounts and critiques of key figures of Cultural Studies and post Marxism such as Butler Derrida Hall Laclau Mowitt Rorty and Zizek Draws out the similarities and clarifies the signifi
