Studies In Doctrine:

Studies in Doctrine Alister E. McGrath,1997 Four of noted Oxford theologian and teacher Alister McGrath s earlier works are presented together here to provide a clear accessible introduction to doctrine as well as a discussion of three key doctrines of the faith The titles are UNDERSTANDING DOCTRINE UNDERSTANDING THE TRINITY UNDERSTANDING JESUS and JUSTIFICATION BY FAITH **Studies in Doctrine** Daniel Webster Kurtz,1919 *Studies in Christian Doctrine* James Drummond,2014-03 This Is A New Release Of The Original 1908 Edition Doctrine I, Studies 1-10 Moore Theological College. Committee for External Studies,1960 *Studies in Christian Doctrine* James Drummond,1908

Studies in Bible Doctrine William Hoste,1984 **Outline Studies in Christian Doctrine** George P. Pardington,2010-01-01 Outline Studies in Christian Doctrine has been a primer for many thousands of Bible school students who as missionaries ministers and lay Christians have carried its teaching to every part of our world George P Pardington son of a Methodist minister had the advantage of a classical education Drew University earning his doctorate in 1898 from New York University Early drawn to A B Simpson and his Friday meetings in New York City Pardington devoted most of his professional life to teaching at Simpson s Missionary Training Institue now Nyack New York College Severely handicapped as the result of a merciless beating at age 10 by his schoolteacher Pardington did not let physical suffering suppress his victorious spirit or his keen sense of humor He regaled his students with his wit and motivated them by the warmth of his unwavering devotion to Jesus Christ and the Scriptures Published posthumously following the author s untimely death in 1915 at age 49 has been in continuous print for nearly three quarters of a century The chapters of this book prepared personally by the author just prior to his death distill the essence of his classroom teaching **Studies in Bible Doctrine** William Hoste,1925 **The Shape of Pneumatology** John McIntyre,2004-07-01 Addresses one of the most difficult aspects of the doctrine the heterogeneity of the biblical and traditional material from which it is derived and points to the areas where church must act to recover the sense of the immediacy of the Holy Spirit Doctrine II, Studies 14-20 Moore Theological College. Committee for External Studies,1969 *Studies in Bible Doctrine* William Hoste,1932 Outline Studies in Christian Doctrine G. P. Pardington,1932 **The Trinity and Martin Luther (Studies in Historical and Systematic Theology)** Christine Helmer,2017-11-08 Martin Luther was classically orthodox Scholars often portray Luther as a heroic revolutionary totally unlike his peers and forebears as if he alone inaugurated modernity But is this accurate Is this even fair At times this revolutionary model of Luther has come to some shocking conclusions particularly concerning the doctrine of the Trinity Some have called Luther modalist or tritheist somehow theologically heterodox In The Trinity and Martin Luther Christine Helmer uncovers Luther s trinitarian theology The Trinity is the central doctrine of the Christian faith It s not enough for dusty ivory tower academics to know and understand it Common people need the Trinity too Doctrine matters Martin Luther knew this But how did he communicate the doctrine of the Trinity to lay and learned

listeners And how does his trinitarian teaching relate to the medieval Christian theological and philosophical tradition Helmer upends stereotypes of Luther s doctrine of the Trinity This definitive work has been updated with a new foreword and with fresh translations of Luther s Latin and German texts [A Faith to Live](#) by Donald Macleod,1998 **The Monroe Doctrine** Albert Bushnell Hart,1916 **The United States Catalog** ,1900 **University of Iowa Studies in Character** University of Iowa. Institute of Character Research,1928 **After the Trenches** William O. Odom,2008 At the end of the Great War the U S Army faced the challenge of integrating what it had learned in the failures and ultimate success of its war effort During the interwar years the army sought to balance readiness and modernization in a period of limited resources and technological advances with profound implications for the conduct of warfare In *After the Trenches* William O Odom traces the development of combat doctrine between the world wars through an examination of the army s primary doctrine manuals the Field Service Regulations The Field Service Regulations of 1923 successfully assimilated the experiences of the First World War and translated them into viable tactical practice Odom argues in this unique study Rapidly developing technologies generated more efficient tools of war and greatly expanded the scale tempo and complexity of warfare Personnel and material shortages led to a decline in the quality of army doctrine evidenced in the 1939 regulations Examining the development of doctrine and the roles of key personalities such as John Pershing Hugh Drum George Lynch Frank Parker and Lesley McNair Odom concludes that the successive revisions of the manual left the army scurrying to modernize its woefully outdated doctrine on the eve of the new war This impressively researched study of the doctrine of the interwar army fills a significant gap in our understanding of the development of the U S Army during the first half of the twentieth century It will serve scholars and others interested in military history as the standard reference on the subject Moreover many of the challenges and conditions that existed seventy years ago resemble those faced by today s army This study of the army s historical responses to a declining military budget and an ever changing technology will broaden the perspectives of those who must deal with these important contemporary issues [Church Doctrine and the Bible](#) David Instone-Brewer,2020-05-13 You know the doctrines but are they biblical Too often Christians are content to state a doctrine list a few supporting Bible passages and proceed on to the next But are these doctrines truly derived from the Bible or are we slotting verses into our pre determined theological grids In *Church Doctrine and the Bible* biblical scholar David Instone Brewer applies his expertise in first century backgrounds and culture to popular Christian doctrines Peeling away thousands of years of theological development reveals how the Bible s original hearers would have understood these doctrines and helps us resolve some of our doctrinal disputes and misunderstandings Through this process Instone Brewer answers the question is this doctrine biblical *Church Doctrine and the Bible* will help pastors theologians and laypersons see familiar doctrines with fresh first century eyes By restoring the revolutionary simplicity of the Bible s teachings we gain new insights into these doctrines and what they mean for the church today *Studies in Bible Doctrine* William Hoste,2013-09 This book

looks at Bible doctrines such as The existence of God Names Attributes of God the Trinity doctrine of Christ doctrine of Man and the doctrine of the world s final events
