Studies In Scripture And Its Authority:

Scripture and the Authority of God Nicholas Thomas Wright, Tom Wright, 2013 In Scripture and the Authority of God Tom Wright argues that God is the ultimate source of all authority and that God's authority is not primarily about providing the right answers to disputed questions but about God's sovereign saving purposes being declared and accomplished through Jesus and the Spirit This revised and expanded edition includes two helpful case studies looking at what it means to keep Sabbath and at how Christians can defend marital monogamy These studies not only offer bold biblical insights but also demonstrate the indispensable role of scripture as the primary

Studies in Scripture and Its Authority Herman Ridderbos, 1978

Engaging Biblical Authority William P. Brown, 2007-10-03 Is the Bible infallible as some churches claim Is it a historical document or a piece of literature as scholars suggest This helpful new book offers a brief introduction to the question of biblical authority using essays by sixteen scholars who use the Bible as the word of God in their own religious tradition and scholarship After William Brown introduces the basic issues of biblical authority each scholar presents a different but sympathetic view from his or her own perspective Included are traditional Reformed Lutheran Wesleyan Catholic Jewish and Orthodox views recent conservative and evangelical positions and critical African American Asian American Hispanic feminist and womanist perspectives

The Authority and Interpretation of the Bible Jack Rogers, Donald K. McKim, 1999-02-05 This book is a detailed and comprehensive study of attitudes toward biblical authority and interpretation held from the beginnings of the Christian era to the present day In clear and readable fashion the authors examine the writings of early church fathers the medieval exegetes and the leaders of the Protestant Reformation to locate the source of and refute the position of inerrancy

God's Word Alone---The Authority of Scripture Matthew Barrett, 2016-09-20 Scholar and pastor Matthew Barrett retraces the historical and biblical roots of the doctrine that Scripture alone is the final and decisive authority for God's people *God's Word Alone* is a decisive defense of the Bible as the inspired and inerrant Word of God Revitalizing one of the five great declarations of the Reformation sola Scriptura Barrett Analyzes what the idea of sola Scriptura is and what it entails clarifying why the doctrine is truth and why it's so essential to Christianity Surveys the development of this theme in the Reformation and traces the crisis that followed resulting in a shift away from the authority of Scripture Shows that we need to recover a robust doctrine of Scripture's authority in the face of today's challenges and why a solid doctrinal foundation built on God's Word is the best hope for the future of the church This book is an exploration of the past in order to better understand our present and the importance of reviving this indispensable doctrine for the Christian faith and church today

THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures

acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God s glory The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches
