Study Guide Where Cultures Meet:

Where cultures meet; a cross-cultural comparison of business meeting styles , *Challenges and Opportunities in Health Professions Education* Mora Claramita, Ardi Findyartini, Dujeepta D. Samarasekera, Hiroshi Nishigori, 2022-02-22 This book addresses health professions educational challenges specific to non Western cultures implementing a shifting paradigm for educating future health professionals towards patient centered care While health professions education has received increasing attention in the last three decades promoting student centered learning principles pioneered by leaders in the medical community has for the most part remain rooted in the Western context Building from Hofstede s analysis of the phenomena of cultural dimensions which underpin the way people build and maintain their relationships with others and influence social economic and political well being across nations this book demarcates the different cultural dimensions between East and West applied to medical education The respective hierarchical and collectivist cultural dimensions are unpacked in several studies stemming from non western countries with the capacity to positively influence healthcare education and services The book provides new insights for researchers and health professional educators to understand how cultural context influences the input processes and output of health professionals education Examples include how cultural context influences the ways in which students respond to teachers how teachers giving feedback to students and the challenges of peer feedback and group work The authors also examine causes for student hesitation in proposing ideas the pervasive cultural norm of maintaining harmony the challenges of teamwork in clinical settings the need to be sensitive to community health needs the complexity of clinical decision making and the challenge of how collectivist cultural values play into group dynamics This book aims to advocate a more culturally sensitive approach to educating health professionals and will be relevant to both students and practitioners in numerous areas of public health and medical education *Where the Forest Meets the Farm* Matthew Michael Thomas, 2004 *Report of the Annual Meeting* British Association for the Advancement of Science, 1906 **Engaging the Whole Child** Marge Scherer, 2009-04-15 This e book collection of articles from Educational Leadership provides a compelling look at what it means to truly open students to learning heart mind body and soul The articles describe how to impart relevance respect and reward while also teaching traditional and not so traditional curriculum subjects They span all grade levels and subjects and offer both inspiration and practical advice Note This product listing is for the Adobe Acrobat PDF version of the book **Report of the Annual Meeting of the South African Association for the Advancement of Science** , 1928 **Report of the ...
