**Coming** John Waite (of Camberwell.),1896 Christ is Coming John DeVries,2021-07-28 COMING BIBLE PROPHESED EVENTS Their order of events Proceeding Christ s second coming WE SHOULD KNOW Prophetically Where are we right now A sure knowledge of Christ s coming and the 7th trumpet Eight Bible prophesied events before Christ comes EIGHT COMING EVENTS BEFORE CHRIST RETURNS Israel destroys attacking enemy nations taking land Israel dwelling at rest without needing defenses The coming battle of Armageddon Joel s prophesied latter rain outpouring and army Supernatural signs in the heavens the sea waves roaring with a darkened sun and moon Stars falling Israel massively accepting Christ as their Messiah The prophesied great falling away of the church Antichrist and his coming reign *The Coming of Christ* Isaac Massey Haldeman,1906 The remnant of Israel, the Church and the coming of Christ Edgar Hastings Thomas,1903

*The Coming Christ* Diane Watt,2018-03-31 Our world sits on the precipice of change We cannot deny the myriad signs pointing to a soon transformation Suspicious political undercurrents extreme weather and invasive technology signal an ailing society on the brink of something The evidence is clear the Second Coming of Christ is near Data suggests His approach may be sooner than we think If so why are most unprepared Why are we largely oblivious to such a widespread catastrophic event Unfortunately the Church has poorly modeled the proper way to handle the apocalypse Its popular end times theology includes 1 Don t watch for Christ s coming It ll happen someday 2 Don t think about it No one knows the day or hour Besides we re having fun 3 End times are confusing and scary Since we don t understand or like them let s ignore them 4 We re to occupy until His return anyway But this is opposite what Jesus commanded The subject of end times typically invokes one of two responses avoidance or extremism Neither are correct One encourages ignorance while the other invokes fear There is a third correct reaction however faith rooted in wisdom Christ insisted upon this when He implored us to not be like others who are asleep but to be awake and sober 1 Thessalonians 5 6 He also said it will be good for those servants whose Master finds them watching when He comes Luke 12 37 Friend our Lord clearly desires vigilance for His return Thankfully there s a growing number well aware of the circumstances They ask questions like 1 Why do we ignore end times 2 How close is the coming Christ Tip sooner than we think 3 What will happen to us personally when Jesus returns These questions are the foundation of this book In light of much apocalyptic sensationalism this message delivers a solid end times perspective We ll examine God s schedule for mankind there is one Then we ll investigate common biases which encourage end times ignorance Then we ll study the latest bizarre but relevant prophetic updates Last we ll reach a

conclusion so superb you'll want to share it with the world. The coming Christ will affect everyone far sooner than expected. Join us as we judiciously examine the future's most crucial far-reaching event before it actually happens. **The Coming of God** Jürgen Moltmann, Margaret Kohl, 2004-07-27 Winner of Grawemeyer Award. In this remarkable and timely work in many ways the culmination of his systematic theology, world-renowned theologian Jürgen Moltmann stands Christian eschatology on its head. Moltmann rejects the traditional approach which focuses on the End as an apocalyptic finale as a kind of Christian search for the final solution. He centers instead on hope and God's promise of new creation for all things. Christian eschatology, he says, is the remembered hope of the raising of the crucified Christ, so it talks about beginning afresh in the deadly end. Yet Moltmann's novel framework, deeply informed by Jewish and messianic thought, also fosters rich and creative insights into the perennially nettling questions of eschatology: Are there eternal life and personal identity after death? How is one to think of heaven, hell, and purgatory? What are the historical and cosmological dimensions of Christian hope? What are its social and political implications? In a heartbreakingly fragile and fragment world, Moltmann's comprehensive eschatology surveys the Christian vista bravely envisioning our horizons of expectation for personal, social, even cosmic transformation in God. The Second Coming of Christ Richard Cunningham Shimeall, 1873 *How to Overcome Death* Glen C. Cutlip, 2000-02-28. The overcoming of death is a serious undertaking because death is a part of the nature of one's being and therefore not what it appears to be. When Death is reconciled with life, it becomes a means of interdimensional travel. We realize that it wasn't there in the first place. Therefore, the overcoming of death is to take place within one's present consciousness. For death is the counterpart of life in the first place. Therefore, the resurrection unto life is from the death that is hidden in life. It is the dead that appear to be living that are resurrected unto life. Death is something that is a part of one's present consciousness, not something off somewhere in the so-called afterlife. The resurrection of the dead is unto conscious life or immortality or back into the realm of unconscious death, for life and death occupy the same space. It is a matter of seeing death as it is, not just as it appears to be. In that death is not what it appears to be, the overcoming of death is not what it appears to be. Therefore, it is a real possibility. It can be realized within one's lifetime. The Overcoming of Death is the means of bringing the realization of conscious immortality to the awareness of one's present consciousness in this lifetime. It reveals why it is that losing life is finding it and how it is that it is the dead that are living that hear the voice of the Son of God and are resurrected from the dead. The Coming of the Son of Man Paul Bortolazzo, 2007. The proposed roadmap to peace between Israel and the Arabs is stalemated. Islamic terrorism is spreading around the world. In response, the American President initiates a global plan to defeat this enemy of democracy. His invasion of three Muslim nations is an aggressive attempt to force the Arabs to sign for peace with Israel. Only the Father knows when His Son will deliver His elect from the wrath to come. Christians don't know the day or the hour, but we are exhorted to watch so we won't be deceived. Jesus warned: "When you see all these things, know that it's near, at the doors." Mat 24:33. What things? The invasion of Jerusalem by the

Antichrist is a sign Christ's coming is near For those who refuse to watch Jesus promises to come like a thief If this is true then why are most apostles prophets evangelists pastors and teachers proclaiming the rapture must come before the Antichrist Tragically the falling away of Christians is going to be far greater than we ever imagined Those who overcome the Antichrist and his evil world system will never be blotted out of the Book of Life This is the message of the hour for the strengthening of the body of Christ Why Because Jesus said it Mat 24 25

**The Second Coming of Christ** Walter J. Haworth,1918 [Christ's Second Coming Fulfilled ...](#) Marion Morris,1917 *The One Coming* Daniel Avenell,Phillip Brown,2017-10-11 This book was written as a devotional resource leading up to Christmas It aligns not only with the season of Advent but with Advent's great expectation of hope in a coming Messiah Such hope is grounded in the Psalms and in the Law and the Prophets It is from there that the Old Testament saints looked forward to the coming of Christ the King And it is to there that the New Testament saints looked back to confirm and understand just what happened in Bethlehem and ultimately at the cross on Calvary

**The Second Coming of Jesus** George Floyd Taylor,1916 *Come, Lord Jesus!* Stephen Motyer,2016-04-21 The second coming of Jesus Christ is the core of the biblical worldview the climax of the biblical message the cornerstone of biblical theology and the centrepiece of authentic biblical faith for the twenty first century At the heart of this bold opening statement by Stephen Motyer is the conviction that Jesus Christ is the centre of the Scriptures even though he only appears at the end For the New Testament writers Jesus Christ revolutionized their understanding of the Scriptures and gave them a new centre around which to interpret the work of God in the world and the climax of that work is the second coming of that same Jesus Christ Jesus himself used the language of the Scriptures to promise his coming again the coming of the Son of Man Hence we need the whole of Scripture to understand what the second coming means for us today The fact that the Bible ends with the prayer Come Lord Jesus Revelation 22 20 is deeply appropriate The second coming is the end of the biblical message its omega point its grand finale the denouement when all the players in the drama of earth history both human and angelic are gathered in the drawing room to hear the Master unpack the plot and give the verdict Motyer's comprehensive stimulating study is divided into two parts Part One The biblical frame examines three Old Testament passages and lays the foundation for Part Two New Testament hopes and visions which explores a series of key texts He focuses on the second coming rather than on millennialism or the end times in order to provide the fundamental biblical theology that must underlie our whole sense of God's future for his world

*The Coming Events and Present Duties* Terry Kulakowski,J.C Ryle,2017-10-27 I am sending forth a new and enlarged edition of this volume I have nothing to add or withdraw I see nothing in the state of the Church or the world to make me alter the opinions on prophecy which I expressed twelve years ago I can only say I am more and more convinced as I grow older that to keep our eyes steadily fixed on the second coming of Christ is one great secret of Christian Peace If this volume helps any one reader to cultivate the habit of looking at Christ's coming again as well as Christ crucified and Christ interceding I shall be satisfied J C Ryle
