The Gem Collector:

The Gem Collector P. G. Wodehouse, 2024-01-02 The Gem Collector by using P G Wodehouse is a lovely story that follows the misadventures of two young men Jerry West and Jimmy Pitt as they navigate the complexities of love friendship and societal expectations in Edwardian England The tale begins when Jerry West an aspiring author encounters Jimmy Pitt a charming but financially troubled young man Together they devise a plan to relaxed Jimmy s economic future by using obtaining a valuable collection of treasured gems However their scheme takes an unexpected flip when they end up entangled with a stunning younger girl named Jane Martlet As Jerry and Jimmy embark on their quest to acquire the gems they find themselves drawn into a sequence of funny escapades and mishaps Along the manner they stumble upon a colourful forged of characters consisting of eccentric creditors dubious friends and romantic opponents As the story unfolds Wodehouse s trademark wit and comedic aptitude shine through supplying readers with a lighthearted and interesting narrative Through witty speak and smart plot twists The Gem Collector offers a funny statement at the follies of human nature and the unpredictable nature of fate *The Gem Collector* , **The Gem Collector** Sir Pelham Grenville Wodehouse, 2020-09-28 The supper room of the Savoy Hotel was all brightness and glitter and gayety But Sir James Willoughby Pitt baronet of the United Kingdom looked round about him through the smoke of his cigarette and felt moodily that this was a flat world despite the geographers and that he was very much alone in it He felt old If it is ever allowable for a young man of twenty six to give himself up to melancholy reflections Jimmy Pitt might have been excused for doing so at that moment Nine years ago he had dropped out or to put it more exactly had been kicked out and had ceased to belong to London And now he had returned to find himself in a strange city Jimmy Pitt s complete history would take long to write for he had contrived to crowd much into those nine years Abridged it may be told as follows There were two brothers a good brother and a bad brother Sir Eustace Pitt the latter married money John his younger brother remained a bachelor It may be mentioned to check needless sympathy that there was no rivalry between the two John Pitt had not the slightest desire to marry the lady of his brother s choice or any other lady He was a self sufficing man who from an early age showed signs of becoming some day a financial magnate Matters went on much the same after the marriage John continued to go to the city Eustace to the dogs Neither brother had any money of his own the fortune of the Pitts having been squandered to the ultimate farthing by the sportive gentleman who had held the title in the days of the regency when White s and the Cocoa Tree were in their prime and fortunes had a habit of disappearing in a single evening Four years after the marriage Lady Pitt died and the widower having spent three years and a half at Monte Carlo working out an infallible system for breaking the bank to the great contentment of Mons Blanc and the management in general proceeded to the gardens where he shot himself in the orthodox manner leaving many liabilities few assets and one son The good brother by this time a man of substance in Lombard Street adopted the youthful successor to the title and sent him to a series of schools beginning with a

kindergarten and ending with Eton Unfortunately Eton demanded from Jimmy a higher standard of conduct than he was prepared to supply and a week after his seventeenth birthday his career as an Etonian closed prematurely John Pitt thereupon delivered an ultimatum Jimmy could choose between the smallest of small posts in his uncle s business and one hundred pounds in banknotes coupled with the usual handwashing and disowning Jimmy would not have been his father s son if he had not dropped at the money The world seemed full to him of possibilities for a young man of parts with a hundred pounds in his pocket He left for Liverpool that day and for New York on the morrow For the next nine years he is off the stage which is occupied by his Uncle John proceeding from strength to strength now head partner next chairman of the company into which the business had been converted and finally a member of Parliament silent as a wax figure but a great comfort to the party by virtue of liberal contributions to its funds It may be thought curious that he should make Jimmy his heir after what had happened but it is possible that time had softened his resentment Or he may have had a dislike for public charities the only other claimant for his wealth At any rate it came about that Jimmy reading in a Chicago paper that if Sir James Willoughby Pitt baronet would call upon Messrs Snell Hazlewood and Delane solicitors of Lincoln s Inn Fields London he would hear of something to his advantage had called and heard something very much to his advantage

stay with a man I've only known a few days and his people whom I don't know at all and a bunch of other guests whom I've never heard of and his uncle who's a sort of human icicle and his aunt who makes you feel like thirty cents directly she starts to talk to you and the family watchdog who will probably bite me *GEM COLLECTOR; I'M AS BROKE AS THE TEN COMMANDMENTS*" P. The GEM COLLECTOR and a MAN of MEANS, Wodehouse and Bovill P.g. Wodehouse,C.H. Bovill,2017-04-08 A black figure detached itself from the blacker shadows and shuffled stealthily to where Jimmy stood on the doorstep That you Spike asked Jimmy in a low voice Dat s right Mr Chames Come on in He led the way up to his rooms switched on the electric light and shut the door Spike stood blinking at the sudden glare He twirled his battered hat in his hands His red hair shone fiercely Jimmy inspected him out of the corner of his eye and came to the conclusion that the Mullins finances must be at a low ebb Spike s costume differed in several important details from that of the ordinary well groomed man about town There was nothing of the flaneur about the Bowery boy His hat was of the soft black felt fashionable on the East Side of New York It was in poor condition and looked as if it had been up too late the night before A black tail coat burst at the elbows stained with mud was tightly buttoned across his chest This evidently with the idea of concealing the fact that he wore no shirt an attempt which was not wholly successful A pair of gray flannel trousers and boots out of which two toes peeped coyly completed the picture Even Spike himself seemed to be aware that there were points in his appearance which would have distressed the editor of a men s fashion paper Scuse dese duds he said Me man s bin an mislaid de trunk wit me best suit in Dis is me number two Don t mention it Spike said Jimmy You look like a matinee idol Have a drink Spike s eye gleamed as he reached for the decanter He took a seat Cigar Spike Sure T anks Mr Chames Jimmy lit his pipe Spike after a few genteel sips threw off his restraint and finished the rest of his glass at a gulp Try another suggested Jimmy Spike s grin showed that the idea had been well received Jimmy sat and smoked in silence for a while He was thinking the thing over He had met Spike Mullins for the first time in rather curious circumstances in New York and for four years the other had followed him with a fidelity which no dangers or hardships could affect Whatever Mr Chames did said or thought was to Spike the best possible act speech or reflection of which man was capable For four years their partnership had continued and then conducting a little adventure on his own account in Jimmy s absence Spike had met with one of those accidents which may happen to any one The police had gathered him in and he had passed out of Jimmy s life What was puzzling Jimmy was the problem of what to do with him now that he had re ntered it Mr Chames was one man Sir James Willoughby Pitt baronet another On the other hand Spike was plainly in low water and must be lent a helping hand Spike was looking at him over his glass with respectful admiration Jimmy caught his eye and spoke Well Spike he said Curious us meeting like this De limit agreed Spike I can t imagine you three thousand miles away from New York How do you know the cars still run both ways on Broadway A wistful look came into Spike s eye I t ought it was time I give old Lunnon a call De cops seemed like as if they didn t have no use for me in New York Dey don t

give de glad smile to a boy out of prison Poor old Spike said Jimmy you ve had bad luck haven t you Fierce agreed the other But whatever induced you to try for that safe without me They were bound to get you You should have waited Dat s right boss if I never says anudder word I was a farmer for fair at de game wit out youse But I t ought I d try to do somet ing so dat I d have somet ing to show youse when you come back So I says here s dis safe and here s me and I ll get busy wit it and den Mr Chames will be pleased for fair when he gets back So I has a try and dey gets me while I m at it We ll cut out dat part
