

THE SECOND COMING

Turning and turning in the widening gyre
The falcon cannot hear the falconer;
Things fall apart; the centre cannot hold;
Mere anarchy is loosed upon the world,
The blood-dimmed tide is loosed, and everywhere
The ceremony of innocence is drowned;
The best lack all conviction, while the worst
Are full of passionate intensity.

Surely some revelation is at hand;
Surely the Second Coming is at hand.
The Second Coming! Hardly are those words out
When a vast image out of Spiritus Mundi
Troubles my sight: somewhere in sands of the desert
A shape with lion body and the head of a man,
A gaze blank and pitiless as the sun,
Is moving its slow thighs, while all about it
Reel shadows of the indignant desert birds.
The darkness drops again; but now I know
That twenty centuries of stony sleep
Were vexed to nightmare by a rocking cradle,
And what rough beast, its hour come round at last,
Slouches towards Bethlehem to be born?

The Second Coming of Christ Rufus Rawls, 2020-05-11 Life in this life is a journey and not a destination though the journey itself leads to an eternal destination Heaven or Hell In the interim between the journey and the destination everyone is busy trying to navigate the journey while not necessarily giving enough serious thought to the journey's final destination Yes People are getting married or not divorcing pursuing educational and career goals saving and spending living life in the blind while paying little or no attention to the fact that time as we know it is running out of time Most believers or Christians believe Christ will return one day and rescue His people out of this life Although Christians do typically believe and may even pray for the return of Christ some lack a clear understanding of what the Bible teaches about

the Second Coming of Christ On the other hand there is a disproportionate number or group of people that because they have been hearing all of their lives that Jesus is coming back are ignoring the clear and concise prophetic writing on the prophetic wall that time is running out of time Nonetheless the Bible is inundated with prophecies that are unmistakably clear regarding the Second Coming of Christ Therefore this book *The Second Coming of Christ The Rapture and the Revelation* is a book that unveils and reveals the fact that prophecy is history written in advance The last word in its title Revelation points to the appearing of Christ at the culmination of the Great Tribulation for the battle of Armageddon the battle of all battles This book is the sounding of the alarm that each of us should be through diligent preparation and godly steadfastness with uncompromising stick to itiveness living to live again Each of us during this dispensation of grace will be upon Christ s return left behind to undergo the unspeakable suffering of the Great Tribulation or either resurrected or translated in glorified bodies to meet Christ in the air to go with Him to Heaven This book will help each of us embrace the fact that the rapture of the Church is imminent or very close at hand Each of us will either be caught up in glory at the Rapture or left behind to endure unparalleled pain and suffering during the Great Tribulation

The Second Coming of Christ Harriet Beecher Stowe,J C Ryle,George Muller,2019-08-02 I recently came across this book originally published in 1896 It has eight chapters each one written by a well known minister of the era except the last chapter written by an unknown with the initials J W Written for the layman not the scholar each chapter is in one way or another about the return of Christ It is a very good book for anyone seeking to learn the basics of the second coming of Christ called eschatology Even though I have written four books on Bible prophecy I plan to read this book and add it to my library Michael D Fortner publisher AUTHORS of the chapters 1 Harriet Beecher Stowe2 D L Moody3 J C Ryle4 George Muller5 D W White6 G C Needham7 Charles H Spurgeon8 J W *Have We Missed the Second Coming?* Kenneth L. Gentry,2016-07-19 A new and growing aberration in evangelical prophecy circles is the view that the Second Coming of Christ occurred at the destruction of the Jewish Temple in AD 70 Many Christians are being confused because of the similar language used in Scripture to refer to Jesus s return at the end of history which also applies to the temple s destruction This new movement has developed a cult like zeal and is causing trouble in many local churches and confusion among numerous

Christians This book demonstrates the error of the Hyper preterist viewpoint This error teaches that 1 Christ returned at the judgment of the temple 2 the resurrection occurred at that time and there is no future bodily resurrection 3 that AD 70 was the Final Judgment spoken of by Christ and the Apostles and 4 that history will never end The Second Coming of Christ Clarence Larkin,2005-11-01 What will become of those who are left behind This is a sad question but it is eagerly asked by many It may readily be supposed that the taking away of loved ones at the Rapture will cause many of those left behind to seek the Lord but as the Holy Spirit goes back with the Church and for the time being ceases His Office Work of Regeneration who is to convert those who are left from The Second Coming of Christ The Reverend Clarence Larkin was one of the most widely influential thinkers on end times prophecies of the early twentieth century and his writings remain vital to appreciating the apocalyptic Christian thought that today enjoys widespread popularity This 1918 work outlines exactly what the Bible predicts for the end of mankind s reign on Earth and the return of the Christian savior with a special emphasis on who is to be saved and why Numerous charts and illustrations depict the Judgment Seat of Christ The Stages of the Second Coming the Failure of Man and more Also available from Cosimo Classics Larkin s *The Spirit World Rightly Dividing the Word and The Book of Revelation* American Baptist pastor and author CLARENCE LARKIN 1850 1924 was born in Pennsylvania and later set up his ministry there He wrote extensively and popularly on a wide range of Biblical and theological matters *Second Thoughts about the Second Coming* Joe Reeves,2011-10 In the book *Second Thoughts About The Second Coming* teacher author and systems engineer Joe Reeves deals with many aspects of the idea of Jesus second coming that are seldom considered by modern Christians but he does so from the standpoint of asking several critical questions The basic questions he asks and answers in this book are can a book of scripture at some later date come to mean what it never meant Can a scriptural text at a later date come to mean what the author obviously did not intend it to mean to those of his original envisioned recipients to whom he wrote and a meaning that the first recipients simply would not have understood Then based on those answers he asks and answers several questions about Jesus resurrection His resurrected nature and His ascension Then based on the biblical answers to those questions asks and answers the question about whether or not Jesus and the biblical writers predicted a second coming Using those questions and the question of specifically what would those first century Christians have understood about what modern interpreters call Jesus second coming as the basis for study Joe uses his training and experience in systems thinking Bible history cultural anthropology and logic and philosophical realism to formulate a system of thinking that challenges many of the modern assumptions upon which the four most common doctrines about Jesus second coming are based For the person who wishes to learn more about how the first Christians would have used and understood the writings they received about Jesus and His life after His resurrection this book is a must read **Discovering the Events of the Second Coming** Paul Bortolazzo,2018-08-14 WHAT EVENTS WILL TAKE PLACE DURING THE SECOND COMING OF CHRIST Discovering the events Jesus will fulfill

during His Second Coming is the key to understanding The Revelation of Jesus Christ Paul Bortolazzo As we edge toward the Coming of our Lord the Holy Spirit is sending forth Watchmen teaching The Revelation of Jesus Christ Believers keeping the things written in this book are being blessed There is also a warning not to take away from the words of this prophecy For those who do God will take away their part in the Book of Life and the Holy Jerusalem If anyone takes away from the words of the book of this prophecy God shall take away his part from the Book of Life from the holy city and from the things which are written in this book Revelation 22 19 Today many believe the Second Coming is a single event Sadly when you begin with a false premise you always end with a false conclusion His Coming having a beginning and an ending is a profound revelation John wrote down the events Jesus will fulfill during His Second Coming The coming of The Son of Man The return of The Holy One The appearing of The Word of God The descent of The Lamb of God Why is this so important Discovering the events taking place before during and after the Second Coming will prepare you to overcome during the future Great Tribulation of the saints

Chronological Signs of the Second Coming of Christ Shaun Bailey,2015-02-17 The second coming of Jesus Christ will be a great day for the righteous and a dreadful day for those who are wicked This book is designed to prepare you to warn you and to answer your questions about the coming of Christ Ultimately the most important thing you can do is to prepare yourself to enter the presence of the Lord Signs is a scriptural guidebook on that journey Author Shaun Bailey has used modern technology and a lifetime of study to search the scriptures for clues that don't just identify the signs of the times but put them in a useful chronological order Over 540 scriptural references and quotes from the prophets are compiled to explore 37 signs in depth and in context This is the first book in a two part series and deals with the events of the sixth seal or the time period before the great and dreadful day of the Lord

The Second Coming of Christ, 1934 **The Second Coming of Jesus - Think Again** William H. Hogue,2012-07 The overarching theme of this book is that the Second Coming of Jesus happened in AD 72 and that therefore Jesus is not coming again to rapture the church the book lays out a thorough exploration in support of this theme Daniel's prophecies are foundational especially his prophecy of the Seventy Weeks in Daniel 9 24 27 and his prophecy of four sequential Fertile Crescent Mediterranean empires see Daniel 7 the Fourth Empire or the Roman Empire is the key to understanding my theme with stress on the meaning of the horns on the head of the Fourth Beast see Daniel 7 7 8 As proof of my theme I use the biblical code of two or three witnesses see e.g. Deuteronomy 19 15 Matthew 18 16 John 8 17 and 1 John 5 8 the three witnesses I give are Daniel Jesus and the collective apostles all of whom taught and agreed that Jesus's Second Coming would take place before Jesus's generation passed away Matthew 24 34 Furthermore I show how the epistles of the New Testament reflect this theme by citing scores of passages from them for my readers to consider Finally in chapter 5 of the book and in five appendixes I show how the Book of Revelation aptly interpreted fully agrees with this theme

The Second Coming and the Last Days Glen W Park,2020-04-17 The most anticipated event since the birth of the Lord Jesus Christ has been and remains His Second Coming in power and great glory

When that would happen was a question asked by His disciples who became His original Apostles It was written and prophesied of by many of the ancient Prophets of the Old Testament who lived and wrote before the birth of Jesus Christ The fact is many Prophets and Apostles have been told or have seen in vision much about the Second Coming Of course they have also been told seen and written or the Last Days the times seasons events and conditions of the world and of the United States of America preceding His Second Coming This book quotes highlights and describes many prophecies given by both ancient and modern day Prophets and Apostles Difficult and wonderful times are coming This book will both instruct and illuminate concerning the incredible events that are already unfolding as the time for Christ s Second Coming grows nearer

The Second Coming John MacArthur,2006-01-09 And if I go and prepare a place for you I will come again and will take you to myself that where I am you may be also John 14 3 ESV Jesus Christ was very clear One day He will return and none of us knows when Vocal fanatics claim to know the details of the Second Coming causing many Christians to all but ignore the good news that Jesus is coming again Yet God s own Word commands us to know the signs of the times to remain watchful and to be ready whenever Christ comes This book is a straightforward in depth exploration of the key biblical texts regarding the Second Coming most notably Christ s longest and most important eschatological message the Olivet Discourse As you study what the Word of God says about these matters it will stir in your heart an earnest longing for Christ s return as well as a certainty about how to live expectantly until He comes again *The Second Coming* John Dalmas,2004 Second Coming
