George A. Smith

Tiger Heart:

Tigerheart Peter David,2009-05-12 Paul Dear is a good and clever boy but he s special in ways that even his adoring parents could never have imagined For by day in London s Kensington Gardens he walks and talks with the pixies and sprites and other magical creatures that dwell among the living but are unseen by most Then everything changes when tragedy strikes and a quest begins that will lead Paul to a curio shop where a magical ally awaits him and launches him into the starry skies bound for a realm where anything is possible Far from home Paul will run with fierce Indian warriors cross swords with fearsome pirates befriend a magnificent white tiger and soar beside an extraordinary ageless boy who reigns in a boundless world of imagination

The Boy with the Tiger's Heart Linda Coggin,2014-08-28 The call of the wild is powerfully realised in this thrillingly evocative modern day fable A girl raised in the wild a desperate race for freedom and a boy with a fiercely guarded secret When Nona s guardian kills himself she is immediately suspected of murdering him In a world where nature and darkness are feared where wild animals are held captive and cities are illuminated by permanent light who will believe her innocence Nona must flee with her only friend a bear who is strangely human In their desperate attempt to escape capture Nona and her bear encounter two strange boys Caius and Jay Together the four of them will hide and fight and make the deadliest of enemies in their desperate race to a forbidden place called The Edge where nature is unrestrained where there is light and shade forest and mountain and where there are no shackles or boundaries A poetic haunting and unforgettable modern fable about nature society and what it is that makes us human
