*Vehicule Days* Ken Norris, 1993 This group of poets who gathered in the mid 70s around the alternative gallery Vehicule Art Inc and the printing operation Vehicule Press was initially interested in gaining access to the means of production But a funny thing happened on the way to print The various poets coalesced into a group feeding off each other's experiences and innovations Inspired by the experimental environment of the gallery the Vehicule Poets worked at the cutting edge of mixed media poetry and video art They took poetry out of the closet and put it on the buses in the parks on the dance floor and in the subway The Vehicule Poets were an irreverent adventurous lot provoking both praise and vitriol from the public and the critics *Vehicule Days* is an important record of literary and cultural history The collection includes articles essays and interviews as well as a sampling from the works of the Vehicule Poets then and now
