## Vengeance By Proxy:

Dracula's Cinematic Psychohistory Steven J. Walden,2025-09-12 Dracula is a recognized resilient and recurrent cultural property He is idolized loved vilified and hated as a multifaceted perennial narrative focus that involves the interplay between film as art and its psychosocial milieu Dracula s movies can thus be read as a cultural barometer reflecting the culture we create and re create in his many cinematic guises an object of attraction and terror antihero and villain lover and monster even victim and stooge This book follows Dracula s cinematic journey exploring how he continues to tap into the ever changing collective psyche of his viewers Many of those viewers may have entertained the thought that the fearful bite of the vampire might just be a worthwhile price to pay for the empowerment of being one Nietzsche's Metaphilosophy Paul S. Loeb,Matthew Meyer,2019-11-07 Renowned scholars explore and discuss Nietzsche s desire to challenge the very conception of philosophy and his methods of doing so **Shocking Cinema of the 70s** Julian Petley,Xavier Mendik,2021-11-18 This collection focuses on 1970s films from a variety of countries and from the marginal to the mainstream which by tackling various difficult subjects have proved to be controversial in one way or another It is not an uncritical celebration of the shocking and the subversive but an attempt to understand why this decade produced films which many found shocking and what it was that made them shocking to certain audiences To this end it includes not only films that shocked the conventionally minded such as hard core pornography but also those that outraged liberal opinion for example Death Wish and Dirty Harry The book does not simply cast a critical light on a series of controversial films which have been variously maligned misinterpreted or just plain ignored but also assesses how their production values narrative features and critical receptions can be linked to the wider historical and social forces that were dominant during this decade Furthermore it explores how these films resonate in our own historical moment replete as it is with shocks of all kinds **Games That Haunt Us** Stephanie Farnsworth,2026-02-19 An examination of how the Gothic appears in game space to interrogate an area of substantial importance to contemporary games with a focus on environments bodies and defining the Gothic in games *Maternity, Monstrosity, and Heroic (Im)mortality from Homer to Shakespeare* Sara Burdorff,2025-10-01 This work uses an adaptation of monster theory to rethink the foundations of epic heroic immortality Rather than focusing on a specific monster or monsters the author identifies the belly monstrous as a crucial point of intersection between mothers and warriors in traditional narratives of the Trojan War Identifying the gestating digesting belly as the center of the Iliadic world this groundbreaking approach disrupts androcentric readings of the Iliadic warrior and his ethos emphasizing the crucial role of female suffering in the generation and preservation of immortal legacy The author reconsiders ancient Greek depictions of the Trojan War and its aftermath including Homeric epic and the tragedies of Aeschylus and Euripides and illuminates the cohesive patterning of Shakespeare s mother warrior plays which place inherited Iliadic belly monstrous motifs in conversation with cultural anxieties of late Elizabethan England With meticulous scholarship and captivating analysis

Maternity Monstrosity and Heroic Immortality from Homer to Shakespeare redefines the relationship between mothers and warriors in the Iliadic heroic ideal paving the way for new interpretations of war grief and immortal glory in a broad range of literary and cultural contexts

**Proxy** Penelli, 2017-05-11 It all goes back to the beginning where this female went through one of the roughest

moments in her life She hooked up with a bad boy Tyson Burkes that swept her off of her feet in the first novel A Diamond In the Rough Life of Chiana Starr As you read throughout this trilogy Chiana Starr has indeed twisted the game up by taking his cartel to a whole new level So read along on how the tables once again have turned leaving Chiana in charge of everything The pages again shall unravel what s going on in the private lives of everyone as they all try to stand their own ground The darkness from Travon s past tries to find its way back into his life but it is only he that will demand the last words This time Kevin and Rayne just may be the only two to escape the spell that vengeance dares not forget There are secrets that may finally breakup the bond they all share letting karma amidst even harder than before In the intensification of it all Chiana s the new definition of what the rise of a powerful queen means now that she calls all of the shots Wedding bells are in the air once again for who should be the question Now with a female in charge find out how the cartel remains untouchable in the hustle game Let the pages again draw you in just as the previous two novels once did can you handle it The first one introduced you to a whole new world that quickly did a 360 leaving them all in a very disastrous place Then in the sequel Vengeful Karma some scandalous things almost took the cartel out but didn t quite win that round So will the trilogy Proxy finally let vengeance know who is really in charge or will it overthrow things this time This will be a joy ride you ll not want to miss out on **CHECKMATE** *Die by Proxy* Ben Oneal,2018-06-05 Someone is leaving dead child molesters along Interstate 69 sitting naked and alone waiting to be discovered by some passing motorist Their hands have been severed from their bodies and they died at the scene Their clothes are folded neatly in their laps along with their wallet and their severed hands on either side one holds a confession and one holds evidence of their evil In the thriller *Die by Proxy* Mr Smith a killer almost as deplorable as the child predators he hunts is using the victims as bait With every disease minded body he leaves along Interstate 69 he pulls agent Benjamin Kroh of the Behavioral Analysis Unit closer to his death These morbid enticements bring Kroh back to his hometown Why has he brought them here This is a question that must be answered if Kroh is to save his friends his family and himself **Truth and Vengeance** S.M.
