Kaye,Diane E. Pellowe,2015-01-22 Recommended for mature age 13 and up I ve seen a lot in my thirteen years of life I ve run away and been rescued I ve had children and lost them I ve lived in cages and in beautiful homes But these days a lot of my thinking is done behind closed eyelids as I just feel so old and tired all the time Now you re probably confused at this point because in human years thirteen isn t old at all but in dog years especially if you re a sheltie like me that s ancient So when my human parents the best people you could ever meet started moping around the house I knew something was up For a few days I tried to ignore it but after another visit to the doctor we all had to finally face the truth I am dying But the story I have to tell you isn t a sad one You might say we dogs tend to view the world through rose colored glasses But really we just see it for the wonderful place it is Sure there are difficult moments but that s just it they are momentary The way I see it every day we have a choice to love laugh and be grateful **Fodor's In Focus Charleston** Fodor's Travel Guides,2018-09-11 For a limited time receive a free Fodor s Guide to Safe and Healthy Travel e book with the purchase of this guidebook Go to fodors.com for details Written by locals Fodor s InFocus Charleston is the perfect guidebook for those looking for insider tips to make the most out their visit
