Handbook of Communication and Aging Research Jon F. Nussbaum,Justine Coupland,2004-04-12 This second edition of the Handbook of Communication and Aging Research captures the ever changing and expanding domain of aging research Since it was first recognized that there is more to social aging than demography gerontology has needed a communication perspective Like the first edition this handbook sets out to demonstrate that aging is not only an individual process but an interactive one The study of communication can lead to an understanding of what it means to grow old We may age physiologically and chronologically but our social aging how we behave as social actors toward others and even how we align ourselves with or come to understand the signs of difference or change as we age are phenomena achieved primarily through communication experiences Synthesizing the vast amount of research that has been published on communication and aging in numerous international outlets over the last three decades the book s contributors include scholars from North America and the United Kingdom who are active researchers in the perspectives covered in their particular chapter Many of the chapters work to deny earlier images of aging as involving normative decrement to provide a picture of aging as a process of development involving positive choices and providing new opportunities A recurring theme in many chapters is that of the heterogeneity of the group of people who are variously categorized as older aged elderly or over 65 The contributors review the literature analytically in a way that reveals not only current theoretical and methodological approaches to communication and aging research but also sets the future agenda This handbook will be of great interest to scholars and researchers in gerontology developmental psychology and communication and in this updated edition will continue to play a key role in the study of communication and aging

The New Class Society Robert Perrucci,Earl Wysong,2003 Extensively revised the second edition of The New Class Society includes innovative new sections and concepts throughout the book that identify and explore how complex organizational structures and actions create and perpetuate class gender and racial inequalities The authors describe how inequality scripts shape the hiring and promotion practices of organizations in ways that provide differential opportunities to people based on class gender and racial memberships The authors also illustrate how privileged class members benefit from organizationally based and perpetuated forms of inequality The second edition retains its provocative argument for of an emerging double diamond social structure and its focus on class interests that are rapidly polarizing American society New figures tables and references incorporate the latest information and research findings to document and illustrate key topics such as the distribution of wealth and income globalization downsizing contingent labor the role of money in politics media content and

consolidation the transformation of education and the erosion of democracy The second edition combines scholarship with an engaging style and flashes of comic relief with several cartoons by some of the best satirists today The book accessibly written for undergraduate students has been widely adopted in courses on stratification economic sociology and American society

The World Almanac and Book of Facts, 2001 William A. McGreverand,2001 Chosen by Library Journal as one of the five best reference books of the second millennium The World Almanac remains an indispensable source for quick information on every subject imaginable Now entering its third century of publication The World Almanac 2001 is as up to date as today s headlines and it remains the world s most comprehensive and authoritative annual information source Completely revised from first page to last highlights for 2001 include 2000 Election Coverage Complete results and analysis of all major fall 2000 elections federal state and local Summer Olympics Comprehensive coverage of the 2000 summer games in Sydney Australia 2000 Census A look at what to expect from the 2000 census New Day By Day Features More information on the Year in Review The Year in Pictures A World Almanac exclusive a 16 page full color photo section with highlights of the most dramatic events of the year The World Almanac 2001 is also available in a special deluxe large format hardcover edition

Student Atlas of World Politics John L. Allen,2002 Atlas of World Politics is a low cost four color atlas that allows readers to connect geography with world politics and current events Reflecting political economic demographic and environmental changes its 62 maps include 15 new thematic maps discussing population density nations with nuclear weapons and more A geographic index contains approximately 1 500 names and geographical coordinates of countries cities oceans bays and other geographic features

The Fundamentals of Extremism Kimberley Blaker,2003 The politics educational policies and social values perpetuated by Christian fundamentalists are exposed in this

critical perspective on the religious right's role in American society. Statistics and studies of the movement are offered that provide insight into the causes and characteristics of fundamentalism and its effects on minority groups including women, children, African Americans, gays, and lesbians. Essays from a variety of authors consider the path to theocracy, the effect of the theology of inerrancy on politics, and the state of fundamentalism in the United States after the September 11, 2001 terrorist attacks. *The Politics of Economic Restructuring and Old-age Pension Reform in China* Jinxin Huang, 2004

Forthcoming Books Rose Arny, 2002-04 **Social Work** Stanley L. Witkin, 2004 594-599 [The Missouri Jobbank](#), 2000
