Torn Apart Dorothy Roberts, 2022-04-05 An award winning scholar exposes the foundational racism of the child welfare system and calls for radical change Many believe the child welfare system protects children from abuse But as *Torn Apart* uncovers this system is designed to punish Black families Drawing on decades of research legal scholar and sociologist Dorothy Roberts reveals that the child welfare system is better understood as a family policing system that collaborates with law enforcement and prisons to oppress Black communities Child protection investigations ensnare a majority of Black children putting their families under intense state surveillance and regulation Black children are disproportionately likely to be torn from their families and placed in foster care driving many to juvenile detention and imprisonment The only way to stop the destruction caused by family policing *Torn Apart* argues is to abolish the child welfare system and liberate Black communities

Torn Apart Blanche Le Fleur, Derek Flory, Sybil Le Fleur, 2011-04-01 When Sybil and Blanche Le Fleur were growing up in idyllic Burma in the 1920s and 30s little did they realise the changes and challenges that they would face during their lives With the death of first their mother and then their father they had to cope with enormous personal tragedy including the loss of all their family wealth Then the Japanese bombed Rangoon on 23 December 1941 Sybil managed to get out of the city but there was no way for her to return to her sister or even to know if Blanche was still alive as the death toll was so high While Sybil escaped from Burma and settled in Scotland after marrying a Scottish soldier Blanche lived for over three years under Japanese occupation After leaving for India in 1958 Blanche made a new life while still thinking of and praying for her sister Decades later a chance set of circumstances led to the discovery by Sybil s son that Blanche was alive and living in India *Torn Apart* is the heart rending inspirational account of how the Le Fleur sisters lived separate lives for more than 65 years before an emotional reunion brought them together again in 2007
