Saint among Savages tells the remarkable story of St Isaac Jogues a French Jesuit who was killed by Mohawks while serving as a missionary in New France Coming from a upper middle class life in Orleans he knew from an early age that he wanted to be a priest and serve abroad as a missionary to risk his life in order to save souls Along with several others collectively known as the North American Martyrs he followed his dreams and met death in the American wilderness Living with the Huron people in what is now Ontario he was captured by Mohawk warriors and tortured and held captive for over a year He escaped back to France with help from the Dutch in New York and remarkably insisted on going back to New France even though he knew what he might be facing Besides Jogues life there is also a lot of material about the lives and customs of the Native American peoples who lived along the St Lawrence River *Saudi Arabia* Geoff Simons,2016-01-20 Simons describes the current human rights situation in Saudi Arabia with reference to corruption the treatment of dissidents the penal system the suppression of women slavery and other aspects A detailed history from pre Islamic times to the present is provided with attention to the influence of Mohammed the Saudi ascendancy the role of the West the discovery of oil and the wars in the region Finally attention is given to the various economic political religious problems that today face the Saudi regime and to the Saudi response **Justice Ignited** Brian Martin,2007 Attacks can backfire on attackers_sometimes spectacularly Examples include the beating of Rodney King by Los Angeles police in 1991 the surveillance of Ralph Nader in 1965 and the invasion of Iraq in 2003 Attackers often inhibit adverse reactions by covering up the attack devaluing the target and using other methods Through numerous detailed case studies Justice Ignited reveals the most promising tactics that can make unfair attacks backfire **Human Rights** Darren O'Byrne,2014-06-06 Human Rights An Introduction is an important text that provides a comprehensive overview of human rights and related issues from a social science perspective First this book does more than discuss theory it uses case studies and personal testimonies in the debate Human rights as an area of academic interest cannot be easily divorced from human rights struggles and the reality of contemporary conditions Second the book is aimed at what is an emerging and growing cross disciplinary field of study Human rights issues are increasingly coming to the fore in a number of academic debates Whereas the study of human rights has traditionally been included in departments of law international relations and philosophy a number of courses are now being set up in departments of sociology and anthropology Consequently there is an increasing need to bring these disparate approaches together *How Strong Is Your Titanium* Joey McQuaig,2010-06 This is the true story of the misadventures of Joey McQuaig a middle aged man who a tears the cartilage in his knee Osteoarthritis soon develops in both knees and spreads to both hips The doctor s orders are for total knee and hip replacements Joey is going to be a 4 by 4 Amazingly he returns to physical activity as he did twenty years ago earlier even though his body is older his hips and knees are titanium The results are comical as our survivor

slips slides stumbles and falls down stairs off roofs from ladders and out of vehicles He learns quickly that titanium doesn't make you Superman or does it Joey a former athlete decides to resume jogging and begin a search for ways to renew vigor in his life Along the way he learns to manufacture natural pain killers and discontinues his meds Throughout the book you learn of his simple down home philosophy about living life with gusto even with titanium joints With a chance for a renewed life Joey's endurance of bilateral knee and hip replacements led him to discover to whom God has given much much is required to give back to others Rather than following old and worn paths he cuts new trails and encourages others to do the same This survivor learned early on not to quit and he doesn't This inspirational story moves from humorous to profound as readers are challenged to determine what is restricting their growth physically mentally emotionally and spiritually as they are asked Do you have a wish bone or a back bone We have a final warning from Joey Follow doctor's orders and your heart as well

A Charm Bracelet of Stories Sheri Keyes, 2022-07-11 As I wrote some of the stories for this book I shared them with my brother requesting that he fill in my memory blanks and verify some of the details Recently I sent an email to him with the latest tale attached and asked Do strange things happen to me or am I just strange You are strange definitely strange he returned Read these accounts and decide for yourself if life has handed me a unique set of experiences if I am indeed strange or if maybe both are true These narratives will prompt you to remember your childhood remind you of simpler times and perhaps probably make you chuckle
