

SOCIAL INFLUENCE

Social influence is the process by which individuals alter their thoughts, feelings, or behaviors as a result of their interactions with people in their social groups.

TYPES (KELMAN)

- **Compliance:** Being influenced by the group norm out of the desire to be liked.
- **Identification:** Being influenced by the group norm with the desire to fit in to your group's shared identity.
- **Internalization:** Being influenced by the belief that the collective wisdom of the group helps guide the way to the truth.

EXAMPLES

- **Dressing formally:** You adapt your clothing choices to suit professional norms.
- **Laughing because everyone else is laughing:** Even if you don't understand the joke, you laugh along to feel part of the group.
- **Buying sneakers:** You choose the sneaker brand because it is popular among your peers.

Turner, 1991 When do we want people to agree with us and when do we not want people to agree with us How can we convince someone that their views are wrong Such questions are raised by SOCIAL INFLUENCE This milestone text provides both a straightforward introduction to the topic of social influence for the beginning student and a sophisticated theoretical analysis of social influence processes for the more knowledgeable reader The author summarizes a vast literature integrating many differing views on social influence in a coherent and meaningful pattern He reevaluates and reinterprets the findings of many classic studies into an integrative self categorization theory which may resolve many inconsistencies in the literature and account for a diverse set of social influence phenomena

Techniques of Social Influence Dariusz Dolinski, 2015-07-03 Every day we are asked to fulfil others requests and we make regular requests of others too seeking compliance with our desires commands and suggestions This accessible text provides a uniquely in depth overview of the different social influence techniques people use in order to improve the chances of their requests being fulfilled It both describes each of the techniques in question and explores the research behind them considering questions such as How do we know that they work Under what conditions are they more or less likely to be effective How might individuals successfully resist attempts by others to influence them The book groups social influence techniques according to a common characteristic for instance early chapters describe sequential techniques and techniques involving egotistic mechanisms such as using the name of one s interlocutor Later chapters present techniques based on gestures and facial movements and others based on the use of specific words re examining on the way whether please really is a magic word In every case author Dariusz Dolinski discusses the existing experimental studies exploring their effectiveness and how that effectiveness

is enhanced or reduced under certain conditions The book draws on historical material as well as the most up to date research and unpicks the methodological and theoretical controversies involved The ideal introduction for psychology graduates and undergraduates studying social influence and persuasion Techniques of Social Influence will also appeal to scholars and students in neighbouring disciplines as well as interested marketing professionals and practitioners in related fields

The Process of Social Influence Thomas D. Beisecker, Donn W. Parson, 1972

100 Effective Techniques of Social Influence Dariusz Dolinski, Tomasz Grzyb, 2022-07-12 100 Effective Techniques of Social Influence provides a revolutionary look into the effectiveness of many techniques of social influence providing an overview of the ways in which people use techniques to persuade others to meet various requests suggestions and commands For each technique the authors explore the idea behind it what empirical research says about it and what the psychological mechanism behind its effectiveness is aka why it works The techniques included span across multiple areas in people s everyday lives ranging from business negotiations managements marketing and close relationships to people s behavior in public as well as in their private sphere Covering research from the 1970s to the present day the book describes techniques of social influence with the purpose of provoking certain behaviors such as convincing an individual to donate to a charity or purchase a certain product By exclusively focusing on techniques influencing human behaviors rather than beliefs biases or emotions the authors show how humans can be reliably convinced to behave in a certain way in a huge range of situations and contexts Rather than being based on anecdotal evidence or legends of famous people the authors have only included techniques that have been proven to be effective through scientific research With each technique described in an engaging manner this is ideal reading for students and academics in fields such as social psychology leadership marketing sociology management and communication It will also appeal to professionals who need to influence others and any readers who desire a better and more contemporary understanding of how people interact and influence others on a daily basis
