inflicted and endured But we want to be proud of our country too In *The Nation That Never Was* Roosevelt shows how we can do both those things by realizing we re not the country we thought we were Reconstruction Roosevelt argues was not a fulfillment of the ideals of the Founding but rather a repudiation we modern Americans are not the heirs of the Founders but of the people who overthrew and destroyed that political order This alternate understanding of American identity opens the door to a new understanding of ourselves and our story and ultimately to a better America An inspiring reexamination of America s past Publishers Weekly Compelling and well worth consideration Kirkus Reviews starred review [Causes of the Civil War, 1859-1861](#) French Ensor Chadwick,1906 **Galvanized** Michael K.
