Tails Of Spring Break

James Matthew Barrie

Tails Of Spring Break:

Tails of Spring Break Anne Warren Smith,2012-01-01 Everyone it seems is going somewhere fun for spring break everyone except Katie Jordan and her family Even her best friend Sierra is going to Hawaii But then Katie realizes she s not the only one being left behind what about all those poor lonely pets And so Katie sets out to save her spring break with a pet sitting business But Katie hadn t bargained on having a business partner especially not someone as awful as Claire Plummer Before they know it they have a moody cat an excitable dog and dozens of fish to look after together But do the two girls have more in common than they realized

Poop Tales Jeffrey Scott,Jeffery James,2009 Many people say You can t judge a book by its cover That saying definitely doesn t apply in this case because the title and picture say it all In this book the vulnerability of us all is humorously exposed as we typically find ourselves trying to hide the human condition which has been passed down throughout mankind If you breathe then you eat if you eat then you poop No one is exempt from this natural act of waste disposal However most people will sit in misery rather than admit the need to go Whether you are rich or poor man or woman you know you have been stuck in some kind of compromising situation Maybe you have experienced the helplessness of finishing your business only to discover an empty toilet paper cylinder at your side as you contemplate your options before heading back in to the office Possibly it was the embarrassment of trying to expel a little gas to relieve an uncomfortable pressure only to find a science experiment gone wrong in your drawers when the gas changed to a liquid Or perhaps the awkwardness of a first date has been multiplied by a thousand as you begin to feel the grumbles in your stomach set in after dinner Each hilarious tale tells of the experiences of the authors from many different stages in their lives They share experiences ranging from their own childhood through the college years into young adulthood and finally reach full circle with funny tales about their own children These stories have been written with every intention of making you smile if you must be stuck on the throne for any length of time Can you honestly think of a better topic for the most notorious and infamous reading room in history

Windpumps Peter Fraenkel,1993 Looking at the potential for the future development of wind pumping this text provides information on the technology and economics of this renewable energy resource An appendix lists international suppliers and manufacturers of windpumping equipment with a summary of products and services
