National Labor Relations Board,2015-08      **The Battle of the Berezina** Alexander Mikaberidze,2010-08-19 The full story of Napoleon s legendary escape from Russia under seemingly impossible odds is recounted in this thrillingly vivid military history In the winter of 1812 Napoleon s army retreated from Moscow under appalling conditions hunted by three separate Russian armies By late November Napoleon had reached the banks of the River Berezina the last natural obstacle between his army and the safety of the Polish frontier But instead of finding the river frozen solid enough to march his men across an unseasonable thaw had turned the Berezina into an icy torrent Having already ordered the burning of his bridging equipment Napoleon s predicament was serious enough but with the army of Admiral Chichagov holding the opposite bank and those of Kutusov and Wittgenstein closing fast it was critical In a gripping narrative that draws on contemporary sources including letters diaries and memoirs Alexander Mikaberidze describes how Napoleon rose from the pit of despair to execute one of the greatest escapes in military history      **Index of Patents Issued from the United States Patent Office** United States.
