Underground Notes:

Notes from Underground Fyodor Dostoevsky, 1994-08-30 Award winning translators Richard Pevear and Larissa Volokhonsky give us a brilliantly faithful rendition of this classic novel in all its tragedy and tormented comedy In this second edition they have updated their translation in honor of the 200th anniversary of Dostoevsky s birth One of the most remarkable characters in literature the unnamed narrator of Dostoevsky s most revolutionary novel is a former official who has defiantly withdrawn into an underground existence In full retreat from society he scrawls a passionate obsessive self contradictory narrative that serves as a devastating attack on social utopianism and an assertion of man s essentially irrational nature *Notes from the Underground* Fyodor Dostoyevsky, 2006 Dostoevsky s underground man is a psychologically tortured poor clerk who muses on his sickness and the detested notions of self interest Scornful of himself and of others he recalls finding love at a brothel but it is a love by his very nature he cannot accept and so debases instead

Notes from the Underground Fyodor Dostoyevsky, Constance Garnett, 2024-01-19 Underground The author of the diary and the diary itself are of course imaginary Nevertheless it is clear that such persons as the writer of these notes not only may but positively must exist in our society when we consider the circumstances in the midst of which our society is formed I have tried to expose to the view of the public more distinctly than is commonly done one of the characters of the recent past He is one of the representatives of a generation still living In this fragment entitled Underground this person introduces himself and his views and as it were tries to explain the causes owing to which he has made his appearance and was bound to make his appearance in our midst In the second fragment there are added the actual notes of this person concerning certain events in his life AUTHOR S NOTE I am a sick man I am a spiteful man I am an unattractive man I believe my liver is diseased However I know nothing at all about my disease and do not know for certain what ails me I don t consult a doctor for it and never have though I have a respect for medicine and doctors Besides I am extremely superstitious sufficiently so to respect medicine anyway I am well educated enough not to be superstitious but I am superstitious No I refuse to consult a doctor from spite That you probably will not understand Well I understand it though Of course I can t explain who it is precisely that I am mortifying in this case by my spite I am perfectly well aware that I cannot pay out the doctors by not consulting them I know better than anyone that by all this I am only injuring myself and no one else But still if I don t consult a doctor it is from spite My liver is bad well let it get worse I have been going on like that for a long time twenty years Now I am forty I used to be in the government service but am no longer I was a spiteful official I was rude and took pleasure in being so I did not take bribes you see so I was bound to find a recompense in that at least A poor jest but I will not scratch it out I wrote it thinking it would sound very witty but now that I have seen myself that I only wanted to show off in a despicable way I will not scratch it out on purpose When petitioners used to come for information to the table at which I sat I used to grind my teeth at them and felt intense enjoyment when I succeeded in making anybody unhappy I almost did

succeed For the most part they were all timid people of course they were petitioners But of the uppish ones there was one officer in particular I could not endure He simply would not be humble and clanked his sword in a disgusting way I carried on a feud with him for eighteen months over that sword At last I got the better of him He left off clanking it That happened in my youth though But do you know gentlemen what was the chief point about my spite Why the whole point the real sting of it lay in the fact that continually even in the moment of the acutest spleen I was inwardly conscious with shame that I was not only not a spiteful but not even an embittered man that I was simply scaring sparrows at random and amusing myself by it I might foam at the mouth but bring me a doll to play with give me a cup of tea with sugar in it and maybe I should be appeased I might even be genuinely touched though probably I should grind my teeth at myself afterwards and lie awake at night with shame for months after That was my way

Notes from the Underground Fyodor Dostoevsky,2014-08-27
Notes from the Underground is recounted from the perspective of an unnamed narrator who describes himself as sick spiteful and unattractive His thoughts and his moods veer unpredictably as he reflects on the folly of idealism and the reality of human squalor and degradation The psychological power of the book is deeply rooted in the conflicts and contradictions that afflict the narrator many of which seem to have afflicted Dostoevsky himself Once attracted to idealistic and utopian notions he subsequently found himself repelled by them A passionate advocate of freedom he had little confidence that humans could use freedom for good The narrator of Notes from the Underground is not a unified self but a self contradictory character like his author His bewildering complexity and relentless self analysis make him one of the most memorable and thought provoking protagonists of modern literature This new translation of Notes from the Underground renders Dostoevsky s famous work in readable and idiomatic contemporary English As well as the full text of the work itself and an informative introduction this edition provides background materials that offer personal and intellectual context for the work These materials also newly translated include writings from some of the thinkers against whom Dostoevsky positioned himself excerpts from Dostoevsky s personal letters and his earlier published works and a substantial selection of relevant illustrations and photographs

Notes from the Underground (Aziloth Books) Fyodor Dostoyevsky,2010-09 Notes From The Underground is Doystoyevsky s allegory of the Russian State in the middle of the tumultuous 19th century Just as its anonymous hero s life consists of appalling contradictions so too Russia at that time existed in a state of irreconcilable tension between Western intellectualism and the practical traditions of Old Russia Dostoyevsky was a prominent promoter of westernisation un til his Siberian exile 1854 following which he became an ardent Slavophile Notes From The Underground repudiates many ideas of western rationalism arguing that irrational desires are just as potent a spur to human behaviour and leading Nietzsche to declare that Dostoyevsky was the only writer that has ever taught me anything worth a damn about psychology

Notes from Underground Fyodor Dostoyevsky, 1989-01 I am a sick man I am a spiteful man the irascible voice of a nameless narrator cries out And so from underground emerge the passionate confessions of a suffering man the brutal self examination of a tormented soul the bristling scorn and iconoclasm of alienated individual who has become one of the greatest antiheroes in all literature Notes From Underground published in 1864 marks a turning point in Dostoevsky's writing it announces the moral political and social ideas he will treat on a monumental scale in *Crime And Punishment* *The Idiot* and *The Brothers Karamazov* And it remains to this day one of the most searingly honest and universal testaments to human despair ever penned The political cataclysms and cultural revolutions of our century confirm the status of Notes from Underground as one of the most sheerly astonishing and subversive creations of European fiction from the Introduction by Donald Fanger

Dostoyevsky After Bakhtin Malcolm V. Jones, 2005-10-20 Malcolm Jones the author of an earlier widely read book on Dostoyevsky here approaches his subject afresh in the light of recent developments in Dostoyevsky studies and in critical theory He takes as his starting point the vexed question of Dostoyevsky s fantastic realism which he attempts to redefine Accepting Bakhtin s reading of Dostoyevsky in its essentials he seeks out its weaknesses and develops it in new directions Taking well known texts by Dostoyevsky in turn Professor Jones illustrates aspects of their multivoicedness In Part 1 he concentrates on the internal emotional and intellectual reversals of the underground In Part 2 he focuses on the disruptive and subversive aspects of the relationships between characters and between text and reader In Part 3 he examines textual multivoicedness in its diachronic aspect showing some of the ways in which Dostoyevsky s texts echo and exploit the voices of precursors
