Donin, 2019-08-13 A distinguished guide to Jewish prayer Why do Jews pray What is the role of prayer in their lives as moral and ethical beings From the simplest details of how to comport oneself on entering a synagogue to the most profound and moving comments on the prayers themselves Rabbi Hayim Halevy Donin guides readers of *To Pray as a Jew* through the entire prescribed course of Jewish liturgy passage by passage ritual by ritual in this handsome and indispensable guide to Jewish prayer Unexcelled for beginners as well as the religiously observant *To Pray as a Jew* is intended to show the way to enlighten and hopefully to inspire      **Prayer in Judaism** Gabriel H. more **Entering Jewish Prayer** Reuven Hammer,2010-12-08 This engaging and informative book provides an introduction to the liturgy of the Siddur the Jewish prayerbook More than a how to guide this resource deals with basic issues for the modern worshiper the historial compilation of the Siddur and much more *Jewish Prayers to an Evolutionary God: Science in the Siddur* Joel Yehudah Rutman MD,2017-07-20 Why do we pray On the one hand prayer offers us a way to meditate on the knowledge of God and have intimate interaction with a personal creator And for many Jews it offers a sense of community and fulfils a need for daily connection with a venerable tradition and language Yet for many modern Jews prayer is at best old fashioned or at worst no longer necessary In *Jewish Prayers to an Evolutionary God Science in the Siddur* author Dr Joel Rutman provides a new way of understanding the existing language of Jewish prayer and he integrates science with Jewish liturgy all the while striving to preserve the passion that makes prayer matter The aim is to enable Jews to daven pray with kavanna intent trusting that science will not pull the rug out from under their prayer The poems also continue the ancient tradition of hazzanim cantors who author new prayer poems **Ancient Jewish Prayers and Emotions** Stefan C. Reif,Renate Egger-Wenzel,2015-11-13 Given the recent interest in the emotions presupposed in early religious literature it has been thought useful to examine in this volume how the Jews and early Christians expressed their feelings within the prayers recorded in some of their literature Specialists in their fields from academic institutions around the world have analysed important texts relating to this overall theme and to what is revealed with regard to such diverse topics as relations with God exegesis education prophecy linguistic expression feminism happiness grief cult suicide non Jews Hellenism Qumran and Jerusalem The texts discussed are in Greek Hebrew and Aramaic and are important for a scientific understanding of how Rabbinic Judaism and Early Christianity developed their approaches to worship to the construction of their theology and to the feelings that lay behind their religious ideas and practices The articles contribute significantly to an historical understanding of how Jews maintained their earlier traditions but also came to terms with the ideology of the dominant Hellenistic culture that surrounded them **Judaism and Hebrew Prayer** Stefan C. Reif,1995-03-23 A scholarly but readable guide to the history of Jewish prayer from biblical times to the modern period **Prayer in John's Farewell Discourse** Scott Adams,2020-03-12 It was reported that a doctoral student at Princeton once asked Albert Einstein What is there left in the world for original dissertation research He replied by saying Find out about prayer Somebody must find out about prayer Since Einstein s day a great deal has been written on the topic of prayer in general However relatively little has been written about prayer in John s Farewell Discourse in particular Therefore this analysis not only seeks to understand the relationship between Johannine and Jewish Greco Roman and Christian prayer traditions but also seeks to discern the unique function and application of prayer as it is prescribed in the Farewell Discourse **Knowing God** Elliot N. Dorff,1996-05-01 Contemporary Jews often find meaning in Judaism s family and communal orientation its beautiful rituals its enriching culture its sense of ethnic rootedness and its moral values For the classical Jewish tradition however all of these features of

Judaism depend on a belief in God Since many modern Jews do not know what to make of that belief it is often ignored They may be inspired by Judaism s high regard for education and its passion for justice but their belief in God rests on childhood images of the Almighty They are often embarrassed and uneasy for they sense that their attachment to Judaism may be based upon intellectual quicksand

**Jewish Liturgy as a Spiritual System** Arnold Rosenberg,2000-06-30 Readers of this book will emerge with a new awareness of what we as Jews are doing when we pray why we are doing it how we are supposed to be affected by prayer how the prayers came to be as they are today and how they differ among the major movements of American Judaism The traditional Jewish liturgy if properly understood is a deep and powerful technique for spiritual transformation However spiritual depth of prayer has been progressively reduced over the past 2000 years as the underlying currents of the Siddur the Jewish prayerbook have been lost to the majority of worshippers This book explains the Jewish liturgy prayer by prayer according to what in the context of ancient and medieval Judaism was its raison d \_tre a structure for transforming one s mind and way of life The author writes The crisis Judaism now faces while genuine is due not to a lack of depth in the traditional Jewish prayer service but to a profound and almost universal lack of understanding of that prayer service that pervades all segments of the Jewish community Jewish prayer services in many contemporary synagogues lack spiritual fervor because the linkage between word and ritual on the one hand and mental transformation on the other that would generate such fervor is not generally known to Jewish adults and is not taught to Jewish children Unfortunately the prayer service regularly degenerates into a race through words and gestures divorced from the sequence of mental states and visualizations through which these words and gestures were intended to lead us This book was written to reunite the activity and language of prayer with its original transformative goal by educating worshippers about what is at the heart of the siddur Several chapters provide an overview of the Jewish prayer service and its spiritual flow These chapters explain the visualizations allusions and meditative techniques that form the heart of the service and the altered states of consciousness through which the service can move the worshipper as well as a synopsis of the history of Jewish liturgy and its study In addition each major prayer is analyzed in its order of appearance according to how it fits into the structure and flow of the liturgy as a vehicle for transforming the mind The book may be used as a companion to the Siddur because the prayer sequence is matched to the corresponding page numbers in all of the most widely used Siddurim in the United States Also included is a chart of the morning service for weekdays and Shabbat that graphically illustrates not only the structure and history of the prayers but also the sequence of mind states to which they correspond
