In another context you're an entrepreneur and you're starting out on a new venture but then you're having a hard time since you don't have enough resources. Just like a good book having an awesome springboard or a successful business having enough resources, you too must have an awesome springboard and enough resources so that your day would end up being an awesome one. Here are some of the springboards or resources you ought to have. Say a Prayer. Prayer is the ultimate way for starting your day right. When you start and end your day with a prayer, you will have a peaceful heart and a peaceful soul. Your prayer does not have to be lengthy and full of sugar-coated words. Just pray to be thankful for another chance in life and to pray for strength to hold on through all the challenges you are currently facing and for all the challenges that are to come. Pray with a sincere heart and surely you will be heard. Prayer is not asking. It is a longing of the soul. It is daily admission of one's weakness. It is better in prayer to have a heart without words than words without a heart. Mahatma Gandhi
