The life of John Selden 1584 1654 was both contemplative and active Seventeenth century England s most learned person he was also one of the few survivors who continued in the Long Parliament of the 1640s his vigorous opposition begun in the 1620s to abuses of power whether by Charles I or later by the Presbyterian controlled Westminster Assembly His gift for finding analogies among different cultures Greco Roman Christian Jewish and Islamic helped to transform both the poetry and prose of the century s greatest poet John Milton Regarding family law the two might have influenced one another Milton cites Selden and Selden owned two of Milton s treatises on divorce published in 1645 both of them presumably acquired while he was writing *Uxor Ebraica* 1646 Selden accepted the non biblically rabbinic externally imposed coercive Adamic Noachide precepts as universal laws of perpetual obligation rejecting his predecessor Hugo Grotius view of natural law as the innate result of right reason He employed rhetorical strategies in *De Jure Naturali et Gentium The Law of Nature and of Nations* to prepare his readers for what might otherwise have shocked them Although Selden was very active in the Long Parliament his only surviving debates from that decade were as a lay member of the Westminster Assembly of Divines The Assembly s scribe left so many gaps that the transcript is sometimes indecipherable This book fills in the gaps and makes the speeches coherent by finding their contexts in Selden s printed works both the scholarly as in the massive *De Synedriis* but also in the witty and informal *Table Talk*      **The Bookseller** ,1895
