Allen, 2024-10-15 The date of the Cerne Giant has long been a matter for debate as exemplified by a public and televised debate of March 1996 published as *The Cerne Giant An Antiquity on Trial* 1999 Oxbow Books Excavations were conducted in 2020 by the National Trust in the centenary year of its ownership of the Giant The excavations were limited and targeted in extent and scope the aim was to date the actual construction of the iconic figure by absolute dating methods OSL As the 1999 publication explained the jury was still out with advocates for a prehistoric origin one connected to the period of the Civil War or a more modern one In the event the dates were a complete surprise falling within the Anglo Saxon period The research has provided an accurate scientifically verified date for the Cerne Giant These unexpected results together with the land use history and ominous disappearance of the Giant for six centuries provide the platform for reconsideration and new discussion and debate Part 1 deals with new research the

historical background and aims the excavation results stratigraphic finds geoarchaeological interpretation land use history environmental land snails and discussion Part 2 is the wider discussion and implications derived from the results and places the Giant in his local and Saxon context Part 3 begins with summaries of the other two excavated hill figures the Long Man of Wilmington and the Uffington White Horse followed by a series of essays from leading archaeologists historians and experts in early medieval iconography *Keith Roberts's Pavane* Paul Kincaid,2024-11-14 This book offers an in depth analysis of Keith Roberts s Pavane and explores why this work was instrumental to the evolution of the Science Fiction genre in British Literature In addition to a focused exploration of the individual stories and themes that make up Pavane this study also presents a commentary on the mosaic structure of this work and the impact this has on the book as a whole Through its discussion of themes such as religion technology and morality this text explores how alternate history plots can be used as a commentary or criticism of the current state of society *English Legends For Kids: Knights, Castles, Kings, Queens, Myths & More From Old England* History Brought Alive,101-01-01 Get ready to travel back to old England where brave knights clever outlaws and magical creatures bring legends to life This is no dull history lesson It s a wild adventure filled with castles kings enchanted forests and fire breathing dragons From the daring deeds of King Arthur and Robin Hood to mythical beasts and mysterious stone circles there s magic mystery and mayhem waiting on every page Oh and you can say farewell to those boring old books that make history feel like a snooze fest This book It s a treasure chest of thrilling tales epic heroes and timeless lessons These stories They re packed with courage trickery and a sprinkle of magic to keep young minds enchanted HERE ARE SOME OF THE LEGENDS YOU LL DISCOVER King Arthur and the Knights of the Round Table Discover how this legendary king and his knights protected the realm Robin Hood The clever outlaw who stole from the rich to help the poor Beowulf and Grendel A hero s battle against a terrifying monster Saint George and the Dragon The brave knight who faced a fearsome beast Myths of Avalon and Fairies Explore the enchanted land of Avalon and its magical beings The Black Dog Legend Uncover the spooky tale of England s mysterious ghostly hound And much much more Plus Learn about sea serpents giants magical castles and English festivals and dive into fun activities and quizzes to bring these legends to life Through its action packed stories fascinating facts and interactive activities this book will ignite a love for history adventure and storytelling Are you ready to explore knights castles dragons and more Your adventure into English Legends for Kids starts now P S Adults will love it too *Celtic & British Legends For Kids: Dragons, Kings, Warriors & Myths From England, Ireland, Scotland, Wales & Ancient Celtic Lands (5 books in 1)* History Brought Alive,101-01-01 Legends of the Celts British Isles for Kids is a special Five Books In One Collection Step into a world of legendary warriors mystical druids powerful kings and queens and enchanted creatures from the lands of England Ireland Scotland and Wales Included in this captivating 5 Book Collection are Celtic Legends for Kids Heroes Fairies Warriors Myths Magic More from the Ancient Celts English Legends for Kids Knights Castles Kings Queens Myths More from Old England Irish Legends for Kids Heroes Druids
