Investing in Families United States. Congress. House. Select Committee on Children, Youth, and Families, 1992 This hearing chaired by Representative Patricia Schroeder was held to examine historical trends in family structure and family values in light of the recent political debate over family values and their effect on poverty Testimony and prepared statements were given by Representative Schroeder Representative Gerry Sikorski Senator Daniel Patrick Moynihan Dr Allan Carlson of the Rockford Institute Rockford Illinois and Professor Stephanie Coontz of Evergreen State College Olympia Washington Participants maintained that historical shifts in family composition challenge conventional wisdom in that family disruption was common in colonial times and that family size has continually decreased It was also maintained that government assistance has failed to keep up with changing needs in that the federal government in the past provided more effective assistance to facilitate home ownership and support health care education and improved working conditions Government programs that once reduced poverty have fallen short in the 1990s due to the fact that the federal government has dedicated an increasingly smaller percentage of the budget to child and family programs MDM Western Weekly Reports ,1919 **Don'T Take the Same Plane as Me** Tricia Bennett, 2012-07-20 Heres your perfect holiday read When Tricia left the childrens home aged 17 the exceedingly dark and onerous cloud continued to follow her She was still very much in survival mode when at 21 she bumped into John a middle class ex hippie with just a tatty suitcase and a fiver to his name Despite an extremely turbulent courtship three years later they finally tied the knot Over the years and in spite of very limited resources they still managed to embark on a number of hilarious and ill fated holidays abroad These vacations begin with their tragic Greek honeymoon followed close on the heels by a girls day trip to France that goes horribly wrong You will be shaking your head in despair when you read about her camping disasters numerous timeshare travesties and hopelessly stressful European hotel breaks as well as the lengths she is willing to go to just to get an extra Disney ticket For your own well being and safety when you next take a flight do check the name of the lady sitting next to you If she answers to the name of Tricia Bennett it may be wise at that point to quietly leave the plane and reschedule your flight Oh and just incase your eyesight is as seriously deficient as hers the two little figures parachuting out of the plane are the pilot and co pilot baling out while they still have the chance to do so Dominion Law Reports ,1920 **Life and Labor** ,1912 **Court of Appeals of the State of New York: Louis A,Greenberg and Samuel A Greenberg Against President and Directors of the Manhattan and Federal Reserve Bank of New York, Colonial Trust Company and L.L.
