the use of a natural disaster to exterminate the dinosaurs the story of Adam and Eve and the process of populating planet earth the story of Noah and the great flood and the story of Jesus Christ the Son of God who was sent to save mankind The book then explains the development of Christianity the hidden story of the Nephilim the Rapture and Revelation Armageddon the thousand year reign and the new Heaven and the new Earth In summary The Study offers a message to the reader that each Level 3 person makes choices every day that each human being is so helpless without God's protection that the end of life on planet earth is very close and that one must believe in Jesus Christ to achieve life everlasting
