The Holy Spirit ... The Only Answer ... Period! Carter Craft,2020-07-02 We are all made to live a two dimensional life

or shall I say to live life in two dimensions the physical world and the spiritual world The physical world is supposed to account for about 50% of your life but the Spiritual world which is not so obvious is supposed to account for the other 50% You walk around all day living your life in the physical world but what you re not aware of is that you are also walking around in the spiritual world oblivious to what is going on around you in that other realm What if you could put on a special pair of glasses that would open your eyes to see what is going on in the Spiritual World around you while you are going about your day in the physical world And what if you had an instruction book that came with these glasses that explained what you are looking for how to use it what you can do in that spiritual world and how it affects you and the world around you Well this is exactly the reality that God created for us to live in but most people haven t been told about it This book is your instruction manual and will teach you how to put on those spiritual glasses and how to operate in the spiritual world to which most people are oblivious Learn how to walk in the spirit in power and in truth This book will change your life So get ready to step into a whole new world
